All issues of "The Thunderbolt" referred to herein were made available through SV T-1. "The Thunderbolt" is self-described as "the official White Racial organ of the National States Rights Party".

Attached hereto in the Appendix of this report is a characterization of the National States Rights Party (NSRP).

ACTIVITIES OF NSRP HEADQUARTERS, AUGUSTA, GEORGIA

The March, 1966, issue of "The Thunderbolt", Page 6, reflects Dr. EDWARD R. FIELDS is the Editor, and the mailing address for the paper is Post Office Box 184, Augusta, Georgia

Page 11 of the March, 1966, issue of "The Thunderbolt" lists the National NSRP officers as follows:

NED DUPES, Chairman;

J. B. STONER, Vice Chairman;

R. D. ELDRIDGE, Organizer;

BERNICE SETTLE, Secretary;

CARL RIDOUT, Treasurer;

Dr. EDWARD R. FIELDS, Director.

On March 13, 1966, SV T-2 advised that she had heard that Dr. EDWARD R. FIELDS, 425 Audubon Circle, Belvedere, South Carolina, was moving his family on March 17, 1966, from Belvedere, South Carolina, to Charleston, South Carolina, where FIELDS is to set up practice as a chiropractor.

On March 17, 1966, Mr. [REDACTED] Carey F. Weathers Transfer Company, 1268 Druid Park Avenue, Augusta, Georgia, advised that his company had picked up the household effects of Dr. EDWARD R. FIELDS, 425 Audubon Circle, Belvedere, South Carolina, that day and these goods were to be delivered March 18, 1966, to FIELDS' new address, 160 St. Andrews Boulevard, Charleston, South Carolina.

SV 157-871

On March 22, 1966, SV T-3 advised that Dr. EDWARD R. FIELDS had been seen at NSRP Headquarters, 205 Marion Building, Augusta, Georgia, on March 22, 1966, March 24, 1966, and March 31, 1966, and neither FIELDS nor the NSRP had given notice of any intentions to move from the Marion Building. This source said FIELDS had mentioned on March 22, 1966, that it would soon be time for installation of air-conditioners in space occupied by NSRP Headquarters, and source said it appeared from this comment that FIELDS and his associates plan to continue using the space rented from the Marion Building.

An announcement appeared in the March, 1966, issue of "The Thunderbolt", Page 8, to the effect that the National Convention of the NSRP had been called by Chairman NED DUPES for August 20, 1966. All party officials and members were requested to schedule their vacations so they could attend this convention. The announcement said the place for the convention had not been decided.

On April 4, 1966, Mrs. [redacted] Young Women's Christian Association, (YWCA), 924 Greene Street, Augusta, Georgia, advised that [redacted] has been a resident of the YWCA since [redacted] is reflected in the YWCA records as J. B. STONER, Attorney, 205 Marion Building, (Augusta, Georgia). YWCA records reflect [redacted] her home address is [redacted] Louisville, Georgia; and her father is [redacted] Louisville, Georgia. Mrs. [redacted] Augusta, Georgia, and Mrs. [redacted] denied that [redacted] is sympathetic with the NSRP. Mrs. [redacted] said she felt that [redacted] accepted this employment because she needed work and not because of any sympathy for the policies and principles of the program. Mrs. [redacted] said [redacted] is [redacted] U. S. Army, Fort Gordon, Georgia, on [redacted]

b6  
b7C

Mrs. [redacted] also advised that [redacted] has resided at the YWCA since [redacted] Her home address is [redacted] Sparta, Georgia; she was born in [redacted] she attends [redacted] Augusta, Georgia; and her father is [redacted] Sparta, Georgia. Mrs. [redacted] said she understood that [redacted] had worked part time for the NSRP but her parents had made her discontinue working with this organization owing to its reputation.

b7C

According to Mrs. [redacted] also resides at the YWCA and her records show [redacted] home address to be [redacted] Sparta, Georgia. father. [redacted] Mrs. [redacted] also attends [redacted] and she understands [redacted] works part time at the NSRP.

b6  
b7C

Mrs. [redacted] said the YWCA in Augusta is integrated and all of the girls living there are aware of this integration policy, and she feels that if these three girls were in sympathy with the program of the NSRP, they probably would not continue to maintain their residence at the YWCA. Mrs. [redacted] said these three girls are from rural areas, had apparently come to Augusta to attend business school, and she understands that [redacted] after first obtaining employment at the NSRP, had been responsible for getting [redacted] part-time jobs there.

SV 157-871

On April 4, 1966, Mr. [redacted] 111th Intelligence Corps Group, Fort Gordon, Georgia, advised that he had verified that there is a [redacted] assigned to [redacted] Fort Gordon, Georgia, whose date of birth is reflected in Army records as [redacted] at [redacted]

b6

On March 23, 1966, SV T-4 advised that she had contacted Dr. EDWARD R. FIELDS at NSRP Headquarters in Augusta, Georgia, in March, 1966, inquiring if the party was holding meetings in the Augusta, Georgia area. FIELDS told her that so far, there had been no meetings held in the Augusta area as the party had not progressed enough yet to have meetings. He said that when the NSRP first moved to Augusta from Birmingham, Alabama, the party paper, "The Thunderbolt", was going very slowly, but subscriptions had picked up considerably recently and it was expected that in the very near future they would announce that meetings would be held.

On March 16, 1966, SV T-5 advised that a junior high school student at Savannah, Georgia, had previously received literature from the NSRP, Augusta, Georgia, but since this student had no interest in the organization, had written the Headquarters requesting that no more literature be sent him. The source stated, however, that this student had just recently received through the mail from the NSRP Headquarters a copy of the constitution and bylaws of the party, a membership application to join the NSRP, and an organizational letter signed by Dr. EDWARD R. FIELDS. This letter urged the student to form a local chapter of the NSRP. The letter pointed out that to do this he would need at least three local members who should meet and elect a chapter leader, an assistant leader, and a secretary. After this was done, an official charter would be issued by the NSRP Headquarters. FIELDS said the meetings were to be conducted and the chapter built strictly according to the constitution and bylaws.

#### NSRP CANDIDATES, FLORIDA AND OHIO

The March, 1966, issue of "The Thunderbolt", Page 1, states that candidates of the NSRP for state legislature will be on the ballot in Duval County, (Jacksonville), Florida, and Montgomery County, (Dayton), Ohio, and party supporters would have an opportunity to vote for these candidates in May, 1966.

SV 157-871

BILL INGRAM was listed as the NSRP candidate for the state House of Representatives in Ohio and his campaign manager is listed as R. D. ELDRIDGE, NSRP, National Organizer, Dayton, Ohio.

W. EUGENE WILSON, Jacksonville, Florida, and WARREN H. FOLKS, Jacksonville, Florida, were both candidates for the Florida House of Representatives according to this issue. Photographs of these three candidates appear on Page 1 of this issue of "The Thunderbolt".

On March 17, 1966, SV T-1 made available a NSRP flyer dealing with the NSRP candidates and the campaign to be conducted in Florida and Ohio. The flyer announced that the NSRP would publish a special four-page issue of "The Thunderbolt" for "total saturation" of the Dayton, Ohio, and Jacksonville, Florida, areas, with a door-to-door circulation campaign. On the front page of this issue would be pictures of the candidates and stories concerning each. On the inside two pages would be the following "indoctrinational information for each voter":

1. The Story of the Differences between White and Negro Blood
2. The Scientific Differences between the Races, Pictures of the Difference in Skulls, etc.
3. Proof that Jews are behind Both the Menace of Communism and Race Mixing
4. Addresses and Phone Numbers of Local NSRP Chapter Offices
5. Application Blank for those Desiring to Join the NSRP or Subscribe to the Paper.

This flyer explained that the purposes of the drive and the campaign are to:

1. See how many voters they could get
2. Find out how many members this political activity will bring into the party

SV 157-871

3. How much interest in and new subscribers to the newspaper could be obtained.

#### ACTIVITIES IN ILLINOIS

On March 5, 1966, Lieutenant [redacted] Chicago Police Department, advised that eight pickets demonstrated at the United Artists Theater, Randolph and Dearborn Streets, Chicago, from about 7:45 PM to 8:45 PM on March 5, 1966.

b6  
b7c

The pickets carried signs calling for an end to integration and race mixing. They were demonstrating against the movie being shown, "A Patch of Blue". These demonstrators were led by an individual who identified himself to the police as [redacted]. Leaflets passed out by the demonstrators reflected the leaflets had been prepared by the NSRP, Post Office Box 6665, Chicago, Illinois, and were captioned "United Artists Promotes Genocide". The leaflet urged that theaters showing "race mix trash" not be patronized. It stated that integration is part of the communist plan to destroy freedom and the white family. It urged the readers to join the NSRP in its fight to preserve the white Christian heritage.

#### ACTIVITIES IN MARYLAND

The March, 1966, issue of "The Thunderbolt", Page 8, states that JOE CARROLL, a Baltimore NSRP youth organizer, led a dozen NSRP pickets in front of the residence of Senator J. JOSEPH CURRAN, JR., (D-3rd, Baltimore). The article stated that leaflets distributed by the pickets pointed out that Senator CURRAN had forgotten that he had been elected by the white voters and was not elected to be a "lackey" for the National Association for the Advancement of Colored People. A photograph of JOSEPH CARROLL appears in conjunction with this article.

#### ACTIVITIES IN OREGON AND WASHINGTON

On January 17, 1966, SV T-6, advised there was to be a meeting of the NSRP at Spokane, Washington, on January 21, 1966, and [redacted] NSRP, organizer from Montana, was expected to attend.

b6  
b7c

SV 157-871

SV T-6 advised on January 24, 1966, that about ten persons met on January 21, 1966, at a NSRP affair at North 208 Raymond, Spokane, Washington. The source stated [redacted] was elected President, and [redacted] was elected Vice President. [redacted] was elected Sergeant at Arms, and [redacted] was elected Secretary to the Treasurer. In addition to the officers mentioned above, [redacted] of Polson, Montana, and six others from the Spokane area attended.

b6  
b7c

SV T-6 stated that on February 4, 1966, another meeting of the NSRP was held but only five members attended that meeting.

On February 14, 1966, SV T-7 made available a letter dated February 10, 1966, prepared by the NSRP, P. O. Box 82, Dishman, Washington, addressed to "Fellow White, Gentile Americans". The letter stated the NSRP "proudly announces its second extensive speaking tour of the greater northwest". Featured speakers were listed as Reverend CONNIE LYNCH, who would give a dynamic, eye witness report of the recent Negro uprising in the Watts Area of Los Angeles, California. LYNCH was to reveal for the first time facts which the "Jew-controlled press" had not dared show the white public. The letter also said that MIKE CAMERON referred to as the NSRP Northwest Coordinator who had just completed a three-month tour of duty at the National Headquarters in Augusta, Georgia, would also be speaking on this program.

The letter stated the purpose of these meetings would be to solidify NSRP supporters in the northwest into active chapters.

The letter contained a schedule of the meetings as follows:

<u>City</u>	<u>Meeting Place</u>	<u>Date</u>
Spokane, Washington	Hall of Doges, Davenport Hotel	February 17 and 18, 1966
Yakimaw, Washington	Women's Century Club Hall	February 19, 1966

February 23, 1966

Olympia,

February 24, 1966

Page 8 of the March, 1966, issue of "The Thunderbolt" carries a report by MIKE CAMERON reflecting that Reverend CONNIE LYNCH, Polyorganizer, San Bernardino, California, and JIMMY BRITTON, party member from San Bernardino, California, and MIKE CAMERON, Polson, Montana, had conducted a speaking tour of the northwest and the article traced the tour reflecting they had appeared at Spokane, Yakimaw, Seattle, Tacoma, and Olympia, and subsequently at Portland, Oregon.

The article stated that plans had been made for a repeat tour of the northwest in April, 1966.

The report states that on the second night at Seattle, Washington, the Jews sent in a large band of "beatniks, queers, and peace creeps". CAMERON stated that these had been schooled well in what they were to do, namely, disrupt the NSRP meeting. He said while they entered the hall bent on destroying the meeting, they had left like a bunch of kittens after hearing Reverend LYNCH speak.

On February 28, 1966, Detective [redacted] Intelligence Unit, Portland Police Department, Portland, Oregon, advised that a NSRP meeting was held on the evening of February 26, 1966, at the Portland's Women's Club Auditorium, 1220 South-west Taylor Street, at which 22 persons were present. This number included four individuals seated on the speaker's platform:

b6

[redacted] and

[redacted] said Reverend [redacted] is a resident of Portland. He also noted that most of the persons present were older individuals. Reverend [redacted] had made reservations for the use of the hall and also was Chairman of the meeting.

[redacted] said that CONNIE LYNCH spoke at considerable length

SV 157-871

and part of this was privately criticized later by [redacted] one of those in attendance. [redacted] stated that both LYNCH and [redacted] expressed anti-Semitic and anti-Negro views and in LYNCH's remarks, he expressed opposition to Reverend MARTIN LUTHER KING and KING's activities in the Civil Rights Movement. LYNCH said trouble would result in the permissive attitude being shown toward Negroes.

#### ACTIVITIES IN OHIO

The June, 1965, issue of "The Thunderbolt", Page 9, reported that the Cincinnati City Council had passed a law specifically outlawing distribution of the NSRP newspaper. It stated that on May 8, 1965, the NSRP at Cincinnati was raided by local police and JERROLD BLACK, in charge of the office, was arrested and the party literature confiscated.

On January 19, 1966, SV T-8 advised that the local NSRP Office at Cincinnati continues to display "hate" literature in front of the window of their headquarters at 4176 Hamilton Avenue, Cincinnati, Ohio; however, activities continue to be quiet and slow.

On January 10, 1966, this source stated that [redacted] of the NSRP in Cincinnati was scheduled to appear in local court February 3, 1966.

b6  
b7C

On February 2, 1966, SV T-8 advised that J. B. STONER had appeared at Cincinnati on February 2, 1966, mode of travel not known, for the purpose of defending [redacted] however, the case against [redacted] was postponed two or three weeks by the local court.

#### ACTIVITIES IN WASHINGTON, D. C.

"The Thunderbolt", February, 1966, issue, Page 8, carries an article entitled "Un-American Rats Subpoena Attorney J. B. STONER in Giant Smear Campaign". The article states that STONER, a leader in the NSRP, had been subpoenaed to appear before the Un-American Committee in Washington even though he is not a member of the Klan. It continues that the Committee is operated by "a bunch of pimps for the Jew-controlled, race-mixing FBI and planned to lie about STONER and smear him with

SV 157-871

the kind of lies that the FBI fairies have already planted in magazines about him".

On the same page of that issue of the paper in an article entieled "NSRP Candidates on Florida Ballots", it was stated that W. EUGENE WILSON, Duval County Director, NSRP, 643 Cassat Avenue, Jacksonville, Florida, together with other NSRP candidates for the Florida legislature must appear before the House Un-American Committee in Washington, D. C., on February 21, 1966, as the result of being subpoenaed. The article which was written by WILSON states that the Committee is wasting its time as well as WILSON's time.

On February 20, 1966, at 1:37 PM, Special Agents of the FBI observed fourteen individuals, including one female, form a picket line on Pennsylvania Avenue in front of the White House. These individuals marched, carrying placards and signs, samples of which are as follows:

"Investigate Reds, Not Patriots";

"Dissolve Un-American Rats Committee";

"Join National States Rights Party";

"Committee Afraid to Investigate Martin Luther King";

"Un-American Committee Unfair to White People";

"Un-American Committee Seeks to Mongrelize  
White Race".

At 2:30 PM, the demonstrators disbanded the picket line, proceeded to their individual cars, and left the area.

During the course of the above picketing, a pretext interview by a Special Agent of the FBI was conducted with an individual who identified himself as J. B. STONER, Attorney at Law, from Augusta, Georgia. STONER said he was Vice Chairman of the National Executive Committee, NSRP, and stated that this picket line was formed to protest current House Committee on Un-American Activities hearings.

According to STONER the demonstrators were local people from the surrounding areas of Maryland and Virginia.

SV 157-871

He said that RICHARD NORTON of Baltimore, Maryland, had organized the demonstration on the local level.

Page 4 and Page 5 of the March, 1966, issue of "The Thunderbolt", carries a report dealing with the results of the hearings before the House Committee on Un-American Activities where "J. B. STONER, a dominant figure in the NSRP and a Ku Klux Klan agitator," was legal counsel for other witnesses and was himself the last witness called before the Committee during the week of March 14, 1966. STONER alleges in an article on Page 5 of this issue that the Committee "openly endeavored to insult and entrap the patriotic white witnesses who had been subpoenaed before them," and tried to besmirch STONER's reputation "by reading into their record the lies of paid FBI pimps who falsely accuse me of being responsible for most of the racial violence and killings in the South".

Page 9 of the March, 1966, issue of "The Thunderbolt", carries photographs of the NSRP pickets who had been subpoenaed before the House Committee on Un-American Activities in Washington, D. C., February 21, 1966. One photograph identified NORMAN K. ANSPACH as a Washington, D. C., NSRP Organizer. Another photograph identifies J. B. STONER leading a picket line in front of the White House.

SV T-9 on March 9, 1966, advised that [redacted] Washington, D. C., had identified himself as the organizer for the NSRP in Washington, D. C., having been appointed to that position by Dr. EDWARD FIELDS, National Director. The source stated that [redacted] had recently spoken at great length about the good work the NSRP is doing to advance the cause of the white man in this country. He had praise for ADOLPH HITLER and called the FBI "subversive".

b6  
b7C

[redacted] pointed out that a meeting of the NSRP would be held at [redacted] Washington, D. C., at 3:00 PM, March 13, 1966. This source stated that according to [redacted] there are ten NSRP members in Washington, D. C., and he expected about six people to attend this meeting.

b6  
b7C

The source stated that [redacted] had spoken of being employed by "a bunch of Jews" at the [redacted] in Washington, D. C. [redacted] and get a law degree. He said that Dr. FIELDS wanted him to get a law degree, after which he would be of more value to the NSRP.

AMERICAN NAZI PARTY, MIDWEST HEADQUARTERS, 1314 W. OHIO STREET,  
CHICAGO, SUNDAY 27 MAR 1966

This meeting began at a little after 8:00 pm. Those attending included [redacted] and his wife (name not learned) the man known as [redacted] who appears occasionally at meetings, and who is believed to operate or manage a hardware store in the suburbs of Chicago. Also present were both [redacted] brothers, and [redacted] who had been brought to the meeting by [redacted]. Present also was [redacted] of the NSRP. One other person was also present. This was a man who had been seen at one or two previous meetings, whose name has not been learned at the present time.

b6  
b7C  
b7D

[redacted]  
[redacted] On all occasions when seen he has been wearing work clothes, and is a person who likes his beer, being seen with a quart bottle on each occasion which he personally consumed. He is quiet and offers very little comment unless spoken to. He has a slight accent or speech impediment which is not definitely definable, or identifiable at the present time.

[redacted] conducted the meeting, and advised the group of the trouble they were then having with the building department and that there were plans to get needed work done. He informed them, however, that there was nothing definite at the time. He also advised that an appeal had been mailed recently and he had hopes that he could get some results from this. He also advised that any money that those present at the time could donate would be more than welcome. He got very little response from this.

b6  
b7C  
b7D

He also mentioned that not only was their telephone disconnected, the instrument itself had been removed from the premises. It appears that the phone bill is in the amount of sixty-some odd dollars at the present time. There is also the matter of some gas bills that are unpaid. He mentioned that it would be embarrassing for the Nazi's to be without gas, and everyone thought this was rather humorous.

The main portion of the meeting was devoted to activities that had taken place on the previous day, Saturday, 26 March 1966, at a parade through downtown Chicago, via State Street, to the Coliseum, the participants of which were protesting the United States engagement in Viet Nam.

[ ] advised that he and [ ] went to the parade with the definite idea of heckling the marchers, and according to [ ] they did a pretty good job.

b6  
b7C  
b7D

He advised that on three separate occasions he and [ ] both attacked individual members of the march. The idea according to [ ] was for [ ] to get arrested, and thereby get some publicity which would be the natural result due to his Party membership. The idea of the publicity was to get the incident in the newspapers, or on a news broadcast of some sort, thereby letting people know of the march, and who was openly opposing it. [ ] stated that he felt that without this there would be the possibility that the entire march might go unnoticed.

b6  
b7C  
b7D

On the first two times that they tried to provoke a fight with the marchers, they pulled small banners from them, and on at least one occasion did get a small fist fight started which was stopped almost at once by members of the Chicago Police Department covering the parade route. The first two times [ ] were both returned to the sidewalk by the Police officers, and told to go on about their business. He advised that "arrangements were made," with a police officer to get [ ] arrested. As the parade neared the Coliseum, [ ] attacked a group carrying a banner that stretched across the entire front of the marchers and was carried by about five of them. According to [ ] [ ] managed to rip the banner from them and throw it to the pavement. At this point he and several of the marchers got into a short scuffle which was again broken up immediately by members of the Chicago Police Department. [ ] and several others were then placed in the rear

of a Squadrol. Members of the Chicago Police Department were about to release [redacted] when [redacted] began explaining and complaining that they could not do this, and that they had to arrest [redacted]. As [redacted] explained it to his listeners, who enjoyed his comments greatly, "I was nearly in tears. For the first time I can remember, a member of the Nazi Party, had to beg to be arrested." [redacted] became a little concerned when one of the Police officers advised that the charges against [redacted] could be for, (1) Breaking through a Police line. (2) Resisting Arrest. (3) Assault. [redacted] was later released on a charge of Creating a Disturbance, the case is to be heard at a later date in Boys Court.

b6  
b7C  
b7D

After the meeting ended, [redacted] and one of the Mueller brothers drove in [redacted] car to Siebens Bierstube, located on the near north side. [redacted] and the other [redacted] drove over in a Volkswagen owned by one, or both, of the [redacted]. They had two or three beers there, and then [redacted] left. [redacted] took both [redacted] home and then returned directly to his own apartment, arriving there shortly after 10:00 p.m.

NATIONAL STATES RIGHTS PARTY

A source advised on February 8, 1966, that the Chicago Branch of the National States Rights Party (NSRP) is located at the NSRP National Bookshop at 2237 North Western Avenue, Chicago, Illinois. The Chicago Branch of the NSRP was officially opened on December 29, 1965, when Dr. EDWARD R. FIELDS, National Director of the NSRP, spoke at a rally held at 2237 North Western Avenue, Chicago.

[redacted] an organizer for the Chicago Branch of the NSRP, resides at [redacted] Chicago.

This source also advised that the National Office of the NSRP is located at Augusta, Georgia, and the Chicago Branch of the NSRP subscribes to the policies of the National Office of the NSRP. The NSRP believes that there should not be race mixing between whites and Negroes and that Negroes in the United States by conducting demonstrations and causing riots are causing a breakdown of law and order in the United States. The NSRP also believes that the Jewish people are financing many of the Negro demonstrations, and, therefore, the Jewish people are responsible for race mixing and the breakdown of law and order in the United States. The NSRP believes that the Jews and the Negroes should be exposed in their attempts to have integration between whites and Negroes.

4. Reporting officers went to the National Book Store located at 2237 H. Western Ave. operated by [redacted] of the National States Rights Party.

We had a conversation with Mr. [redacted] and inquired about the membership of the organization and the degree of participation. Mr. [redacted] stated they did not have too many members but one could not judge the success of the group by the active members because they have many active sympathizers, which in his opinion were better than the active members. Mr. [redacted] stated they anticipated having meetings on Wednesday's in the near future. The store is open on Tuesdays from 0900 to 1700 hrs. and on Saturdays from 1200 to 1700 hrs.

DETAILS:

On January 18, 1966, SL T-1 advised that the National States Rights Party (NSRP) of Missouri had not held any membership or public meetings since the October 21, 1965 meeting at 6411 Chippewa Street, St. Louis, Missouri; that thought was being given to having the National Convention of the NSRP scheduled at St. Louis, Missouri, in 1967; that this would have to be arranged through Dr. EDWARD R. FIELDS, National Information Director of the NSRP.

A characterization of the NSRP of Missouri is in the appendix of this report.

On January 26, 1966, SL T-2 advised that there were no plans to hold any meetings of the NSRP in the immediate future.

On February 2, 1966, SL T-2 advised that [redacted] State Chairman, NSRP of Missouri, stated that plans were being considered to do some political campaigning in the next few months, that posters and banners would be prepared and that several members would then visit shopping centers and distribute party literature and sell "The Thunderbolt" newspaper.

"The Thunderbolt" is self-described as the "Official Racist Nationalist Organ of the United States Rights Party."

On March 16, 1966, SL T-2 advised that on March 13, 1966, [redacted] Chairman of the NSRP of Missouri, called a meeting at his house, 2135 Edmund Avenue, Hillsdale, Missouri, and that KERN, [redacted] a new member, and the leader of the youth group were present; that [redacted] stated that a meeting was scheduled to be held at his house on April 1, 1966, that the purpose of the meeting was to have NSRP members organize the first chapter in the State of Missouri of the "Council of Independent Voters" to unite other organizations with similar purposes; that [redacted] stated that this first chapter would be composed of persons residing in the north St. Louis County area; that subsequently chapters will be formed that will meet at the homes of members living in other parts of the area.

On March 22, 1966, SL T-2 advised that [redacted] State Chairman, NSRP of Missouri, had prepared mimeographed notices of meetings which would be sent to members, which read as follows:

b6  
b7C  
b7D

"Dear Friend

"We have scheduled a meeting for \_\_\_\_\_ at \_\_\_\_\_, St. Louis, Missouri \_\_\_\_\_.

"It is important that all members be present especially those who have joined lately. We must have a strong foundation of dedicated members to combat the forces already organized to destroy the White Race and the Constitutional Rights of all Americans.

"National States Rights Party

"Allen O. Kern, Chairman  
2135 Edmund Ave.

On March 14, 1966, SL T-1 advised that [redacted] State Chairman, NSRP of Missouri, was planning to retire from gainful employment at the Ford-Mercury Plant, Hazelwood, Missouri, and that he was going to devote his time to expanding the NSRP of Missouri.

On May 4, 1966, SL T-2 advised that the following are the minutes of the meeting of the NSRP of Missouri, held on April 3, 1966, at the home of [redacted] Chairman, NSRP of Missouri, [redacted] Hillsdale, Missouri:

b6  
b7C  
b7D

On May 4, 1966, SL T-2 advised that on May 1, 1966, an NSRP of Missouri meeting was held at [redacted]'s house and discussion was conducted on the NSRP's opposition to the so called fair housing proposal of the U. S. Senators from Missouri. Discussion was also held on a leaflet concerning fair housing that was put out by a citizens' organization in St. Louis. Informant stated that [redacted] then read the constitution and the purpose of the newly conceived organization known as the Council of Independent Voters; that discussion was also conducted on an application to the State of Missouri for a non-profit charter for this organization. Informant stated that it was mentioned that three charter members and a permanent location were necessary before a charter would be granted to an organization.

Informant furnished the following, which was read by [redacted] concerning the purpose of the Council of Independent Voters:

b6  
b7C  
b7C

"5. The purpose or purposes for which the corporation is organized are: To unite those organizations whose purposes are stated as being of like nature and intent and do not conflict with the general or specific goals and objectives as contained in this Charter.

"It shall be our further purpose to form new units of those not organized to achieve the goals and purposes as herein set forth.

"That the activities may include such programs and departments as may best promote the safety, security and welfare of the members. That these committees and programs shall promote social, political, educational, economic and civic meetings and publicity which may create or repeal such legislation or public opinion of paramount importance to the members, their families and the safety and preser-

vation of those Christian ideals and Constitutional guarantees under which this Nation has prospered.

"That this unification will render the needed strength to accomplish those objectives which have failed by separated efforts. We propose to bring united action on those issues and programs which are vital to each and all of us without losing the identity of any one of us. We shall expend all efforts necessary, legal and proper to protect our members from present dangers and future threats against our chosen way of life,

"We must preserve for future generations, the heritage left to us, and declare the following issues to be paramount but not conclusive.

"Contrary to our Constitutional guarantees, the Federal Government has usurped the Rights of the several States and the People. The right to govern is given by those who are governed, but the right to referendum and the provisions for change through Constitutional processes have been denied in many instances.

"CIVIL RIGHTS of a minority has replaced the Constitutional RIGHTS of all Races, Creeds and Classes. SLAVERY has been instituted among us by force and paternalism, where Citizens may not enjoy Free ENTERPRISE and Choice of Association without great jeopardy.

"Federal Departments and Bureaus have been created to compete with Private Enterprise in Business, Industry and Commerce with Subsidies paid by TAXES on Private Enterprise. They are thus forced to finance their own competition.

"The authority to coin and regulate money is now in the hands of twelve privately owned Federal Reserve Banks, with power to manipulate the flow of money, credit and spending. That this does

SL 105-1564

place in the hands of a few, a power over inflation, deflation, price and wage control, the National Debt and interest; and even, our trade relations with Enemy or Friendly Nations.

"The UNITED NATIONS has become the Supreme Arbiter of our destiny and made our National ideals and welfare secondary to the will and desires of those who would subjugate our wealth, freedom and progress to a PUPPET STATE of Foreign interest and ideologies.

"We hold these facts to be self-evident and fundamental to the welfare of our members in need of change. That UNITY of PURPOSE and ACTION are necessary for the protection of all individuals through ORGANIZATION.

"We therefore, seek the power and authority to acquire title to real and personal property necessary for the operation of the organization, including the right to buy, sell and mortgage real estate necessary for the proper functioning of the said organization and without any purposes of profit therefrom, in accordance with the provisions of the BY-LAWS of the Organization and the voting rights of its members; to elect a Board of Directors and Officers and to define their duties and compensation, if any, and further do all things necessary to carry out the purposes of the organization under Chapter 355, revised Statutes of Missouri, 1959."

On April 20, 1966, SL T-2 advised that the NSRP was planning a convention in August, 1966, and that it most likely would be held at Augusta, Georgia; that in all probability [redacted] Information Director, NSRP of Missouri [redacted] Youth Movement Leader, and possibly [redacted] the Security Division Leader, would be delegates from Missouri; that the delegates, however, have not yet been selected.

b6  
b7C  
b7D

On April 20, 1966, SL T-2 advised that [redacted] [redacted] had stated that the NSRP of Missouri planned to post informational pickets at shopping centers in the St. Louis area during the summer; that some party members would carry

SL 105-1564

signs with slogans, such as "Stop the Negro invasion", "Honor Pride Fight", "Save the White Race"; that there would be other members walking around selling copies of "The Thunderbolt" and passing out free NSRP literature.

On May 4, 1966, SL T-2 furnished a copy of a flier being circulated by the NSRP of Missouri, which is as follows:

"5/4/66

On May 18, 1966, SL T-2 advised that [redacted] stated that in the near future he was going to have [redacted] Security Division leader, start holding meetings at his home for young people in the NSRP in order to organize the youth movement and start it functioning.

Publication

On February 2, 1966, SL T-2 advised that [redacted] State Information Director, NSRP of Missouri, and editor and publisher of "The Hurricane", official publication of the NSRP of Missouri, had not published an issue in many months; that finances were hard to obtain and the paper is too expensive to publish frequently.

Miscellaneous

On March 14, 1966, SL T-1 advised that [redacted]  
[redacted] Security Division leader, NSRP of Missouri, and [redacted]  
[redacted] Information Director, NSRP of Missouri, traveled to  
Chicago, Illinois, in either November or December, 1965, to  
explain to interested persons ways and means of organizing  
a chapter of the NSRP; that they visited at the home of [redacted]  
[redacted] Chicago 43, Illinois, and [redacted]  
[redacted] tried to  
explain to [redacted] how to organize and conduct meetings of  
the NSRP in Chicago; that [redacted] is the principal figure  
in the NSRP in Chicago; that he is a true believer in States'  
rights and not a hate monger; that he is an opponent of  
integration. SL T-1 stated the NSRP in Chicago was not a  
going organization at present but there is a little group  
around [redacted] who are interested. Informant said they spent  
the night at the home of [redacted] address unknown.

A-P-P-E-N-D-I-XNATIONAL STATES RIGHTS PARTY OF MISSOURI

A source advised that a series of meetings sponsored by the National States Rights Party (NSRP) were held in 1964-1965 in an effort to organize a unit in St. Louis, Missouri; that on February 11, 1964, Dr. Edward R. Fields, National Information Director, NSRP, from Birmingham, Alabama, addressed the first meeting, which was held at the St. Louis Baptist Temple, St. Louis, Missouri; that he cited the necessity of organizing the NSRP in Missouri and that on August 31, 1964, J. B. Stoner, NSRP attorney from Atlanta, Georgia, spoke at an NSRP sponsored meeting held at New Lyon Hall, St. Louis, Missouri, at which membership applications were distributed to those in attendance. This source advised that at an NSRP sponsored meeting held on March 28, 1965, at 3401 St. Blase Lane, St. Ann, Missouri, it was announced that a Security Division of the NSRP was to be organized and new members were to be recruited; that those individuals in attendance were told that their applications would be hand carried to the National Headquarters of the NSRP in Birmingham, Alabama.

Another source advised that an organizational meeting for a new unit of the NSRP was held on April 10, 1965, at the home of [redacted] Chairman of the NSRP; that it was announced that security is a problem, but that it was planned to establish zones and groups of members within a zone as this would make it difficult to infiltrate the organization. Source stated that [redacted] said that the NSRP was not a political party but a patriotic American group, but that remarks made at the meeting indicated that the organization was anti-Negro and anti-Jewish. Source stated that January, 1964, issues of "The Thunderbolt", self-described as the official white racial organ of the NSRP, were issued to those in attendance.

b6  
b7c

The first source advised that the NSRP of Missouri has a publication called "The Hurricane" and that its address is Post Office Box 1956, Bechtold Station, St. Louis 18, Missouri, which is also the headquarters of the NSRP of Missouri.

These sources advised on August 2, 1965 they were aware of no changes or further developments in this organization.

RACIAL MATTER - KLAN**

Reference is made to Chicago memorandum dated June 3, 1966, captioned as above.

In early June, Chicago T-1, a source who has furnished reliable information in the past, learned that [redacted] United Klans of America, Ku Klux Klan (UKA, KKK), State of Illinois, has disclosed the following administrative organization of the Klan in Illinois:

b6

b7D

The total organization for the State of Illinois is known as the Realm of Illinois. Within the realm, jurisdictional boundaries are further subdivided into Provinces which are co-extensive with the existing Congressional Districts in Illinois. Within such Provinces, the Klan is further divided into Klaverns, which are composed of Klan members within a city. [redacted] further disclosed that organizationally, the Illinois Klan would have four units numbered one through four, consecutively. Each unit is intended to have a membership consisting of from 16 to 20 individuals. Additional information available to this same source indicated the possibility that Klan members were presently being assigned to units one and two while unit three was without membership and that one [redacted] had been placed in charge of unit four which was also without members with the exception of [redacted]

Re: UNITED KLANS OF AMERICA,  
INCORPORATED, KNIGHTS OF  
THE KU KLUX KLAN

In early June, Chicago T-1 learned further that the UKA, KKK, State of Illinois, had contracted for the printing of 500 application blanks and history forms for the Realm of Illinois and 1,000 of both the membership and history forms for Wisconsin.

This same source learned that in early June

[redacted] Realm of Illinois, had traveled to Chicago, Illinois, in an attempt to establish liaison with the American Nazi Party (ANP) and the National States Rights Party (NSRP). Both [redacted] traveled to the ANP Headquarters, 1314 West Ohio Street, Chicago, Illinois, and met with [redacted] also known as [redacted] known ANP members, at the headquarters. [redacted] disclosed that the ANP would assist the Realm of Illinois in any endeavor which would not conflict with the interests of the ANP and which would be mutually beneficial to each of the organizations.

b6  
b7C  
b7D

Subsequent to such meeting at the ANP Headquarters, [redacted] traveled to the Headquarters of the National States' Rights Party, 2237 North Western Avenue, Chicago, Illinois, and were assured by an UNSRP member that his organization would be willing to support the Klan in their future endeavors in Illinois.

b6  
b7C  
b7D

Before returning to Winthrop Harbor, Illinois, [redacted] attempted to contact Chicago residents who had previously exhibited interest in the Klan and to interview them relative to Klan membership. Their attempts to locate such individuals were unsuccessful except for one [redacted] who advised that she would submit an application for membership and would pay her membership dues in the near future.

Re: UNITED KLANS OF AMERICA,  
INCORPORATED, KNIGHTS OF  
KU KLUX KLAN

This same source learned further that [ ] had designated five public telephones in the Zion and Winthrop Harbor area as telephones which would be used in the future for the discussion of Klan business. [ ] felt that such security precautions were essential in order to prevent disclosure of important Klan business. Each of the five telephone booths would be assigned a number, one through five, as set out below and upon receipt of a call, such number would be furnished to individuals who could be expected to conduct Klan business over the telephone.

b6  
b7C  
b7D

The location of the designated telephones are as follows:

1. Public telephone across from the Doll House Bar and Restaurant, Winthrop Harbor, Illinois.
2. Drugstore at 20th Street, Zion, Illinois.
3. Sinclair Service Station at state line (Wisconsin - Illinois).
4. Public telephone booth in front of United States Post Office, Winthrop Harbor, Illinois.
5. Public telephone booth outside Picket's Gift and Stationery Shop, 1245 27th Street, Zion, Illinois.

This same source learned further in early June that Robert Shelton, Imperial Wizard, United Klans of America, Ku Klux Klan, has scheduled a visit to northern Illinois during the latter part of June, 1966. Shelton has specifically instructed the Illinois Klan that there will be no rally until he, Shelton, and his aids are able to instruct [ ] relative to the manner in which a Klan rally is conducted.

CHICAGO, ILLINOIS

A source advised on February 8, 1966, that the Chicago Branch of the National States Rights Party (NSRP) is located at the NSRP National Bookshop at 2237 North Western Avenue, Chicago, Illinois. The Chicago Branch of the NSRP was officially opened on December 29, 1965, when Dr. EDWARD R. FIELDS, National Director of the NSRP, spoke at a rally held at 2237 North Western Avenue, Chicago.

b7c

This source also advised that the National Office of the NSRP is located at Augusta, Georgia, and the Chicago Branch of the NSRP subscribes to the policies of the National Office of the NSRP. The NSRP believes that there should not be race mixing between whites and Negroes and that Negroes in the United States by conducting demonstrations and causing riots are causing a breakdown of law and order in the United States. The NSRP also believes that the Jewish people are financing many of the Negro demonstrations, and, therefore, the Jewish people are responsible for race mixing and the breakdown of law and order in the United States. The NSRP believes that the Jews and the Negroes should be exposed in their attempts to have integration between whites and Negroes.

On the evening of 7/31/66, at approximately 11:45 p.m., a group of approximately one hundred white persons were listening to a speech given by an individual around the 71st Street and South Sacramento Boulevard. The individual was stating to the group that the area needed moral and financial support to stop Negroes from advancing into their area. He told the group that the Negroes will eventually come in with firearms and therefore the white people should arm themselves. He stated that he represented the National States Rights Party and that he will be in the area to accept any memberships.

The Chicago Police Department at this time dispersed the group and this individual was subsequently arrested because he refused to leave the area and kept on speaking.

This individual was released approximately three blocks from his point of arrest. The writer conducted a pretext interview with this individual, who stated his name was [REDACTED] and stated he lived in the vicinity, however, the individual would not reveal his address. [REDACTED] said that he is not affiliated with the National States Rights Party, however, he stated he was going to write them a letter on 8/1/66, advising them that his area is interested in the National States Rights Party. [REDACTED] stated that he feels a majority of the white people in the area are incensed by the Negro civil rights movement that they will join this party. He said

"If there were 2000 people in this area, 1,900 would join." It is to be noted that [ ] was speaking to a group of 100 people. He did not know the exact name of the National States Rights Party offhand. At first he called it the "National Federation"; then called it the "National Party", and then after looking at a piece of paper in his hand, called it the "National States Rights Party."

[ ] is described as follows:

It is to be noted that on the evening of July 31, 1966, at approximately Midnight, the writer spoke to a patrolman [ ] 9th District. Patrolman [ ] stated the Negro community has an annual park jamboree in Gage Park every year. He said this jamboree is scheduled for this Wednesday, August 3, 1966. The patrolman stated that he feels if this jamboree is to take place this Wednesday, it would create a tense situation.

Addendum:

In an effort to further identify [ ] contact was had with Sergeant [ ] Security Unit, Chicago Police Department (protect - requested), who advised that a search of his records revealed no information identifiable with this individual. At this same time above information relating to [ ] was furnished to Sergeant [ ] and Lt. [ ] of the Security Unit. Lt. [ ] advised that he was in the vicinity of the disturbance on 7/31/66, in an official capacity, and while there noticed an individual he believed possibly was the above referred to [ ] who made a speech in the vicinity of 71st Street and South Sacramento Boulevard, in which the individual he saw made reference to the National States Rights Party. He stated it was his impression that this individual was probably under the influence of alcohol and noted that while he was making this speech he had difficulty in stating the name of the organization, National States Rights Party, in that he called the organization by one or two other names before looking at a pamphlet he had which apparently had the name National States Rights Party on it. Lt. [ ] stated he could furnish no further information as to the identity of this person.

b6  
b7c

Concerning the last paragraph preceding the addendum of this memorandum, it may be noted that on 8/3/66, Review Officer [ ] and Lt. [ ] 9th District, Chicago Police Department, advised SA WILLIAM M. PARKER that that District has no information relative to an annual park jamboree staged by the Negro community in Gage Park every year and scheduled for Wednesday, 8/3/66. Both stated they believe this information is inaccurate and that it refers to the Bud Billiken affair which is an annual affair held in Chicago about this time each year, ending in a jamboree in Washington Park on the South Side. (Bud Billiken Day scheduled for 8/13/66 on the South Side of Chicago.)

[redacted] that he preferred the information be furnished directly  
to him by [redacted] advised that he interviewed [redacted] on  
8/2/66 after demonstrations by captioned group in the Belmont-  
Cragin area. [redacted] related to [redacted] that on Monday or Tuesday  
night one [redacted]  
had come to the west side SCLC headquarters (3101 W. Warren),  
looking for Rev. [redacted] (SCLC Action Director), who was  
not available, and, consequently, [redacted] talked to [redacted]  
According to [redacted] stated he is Chairman of a Students

[redacted] stated the NSRP has headquarters in Chicago  
at 2237 N. Western Avenue, and that the NSRP leader is one  
JOSEPH DYLIS, who was described as having only one leg.  
[redacted] stated this organization distributes their literature,  
"Thunderbolt," and "Common Sense." [redacted] related to [redacted]  
that the NSRP has been active in the Gage Park area since  
about January 1, 1966, attempting to organize an NSRP group in  
that area. Further that since the violent events which occurred  
during the weekend of 7/30-31/66, residents of the Gage Park  
area have been "flocking" to the NSRP. [redacted] also told  
[redacted] that since January 1, 1966 the NSRP has been trying to  
get citizens arms and soliciting orders for handguns, which  
are filled by the Blue Island Gun Shop in Blue Island, Illinois  
via mail. [redacted] told [redacted] that orders for guns have  
dramatically increased during the past week. [redacted] also  
told [redacted] that the word around the Gage Park area is that  
CCCC-SCLC plan to return to Gage Park this weekend (8/6-7/66)  
with MARTIN LUTHER KING to lead the marchers. [redacted] stated  
that according to information developed by him KING does plan

[ ] advised that he had passed on the above information to his superiors in Washington on the night of 8/2/66.

[ ] also advised that he had informed [ ] the above information appeared to be a local matter and that he felt compelled to furnish this information to the Chicago Police Department. According to [ ] KING supposedly has five bodyguards from the Chicago Police Department when he is in Chicago. [ ] also stated that he obtained permission from [ ] to furnish the above information to the Chicago Police Department at a top level. [ ] stated he planned to advise Superintendent [ ] of this information and requested that we maintain this information in confidence until he had an opportunity to advise Superintendent [ ] or his administrative assistant of this information, mentioning that under the Civil Rights Act of 1964 calling for the setting up of a Community Relations Service, a provision is contained therein requiring they maintain information developed as confidential. [ ] stated, however, that he felt that after furnishing the information to Superintendent [ ], the confidential nature of it would be satisfied and that then the FBI could take whatever action was necessary to meet the Bureau's responsibilities. [ ] stated he would immediately advise the Chicago Office after he had contacted Superintendent [ ] and indicated he intended to meet with Superintendent [ ] immediately after this interview.

b6  
b7C

[ ] also stated he believed the chief interest of [ ] and JESSE JACKSON of the SCIC was to corroborate this information so they could in turn relate it to the press and thereby put the NSRP in a "sticky" position and upset their plans. [ ] also stated that he was informed that only three SCIC officials, [ ] JESSE JACKSON and [ ] know of this information and that it was not their intention to reveal it to other SCIC personnel or demonstrators as they did not wish to alarm same.

CG 157-1261

At 2:13 p.m., on 8/3/66, [ ] telephonically contacted the Chicago Office and advised he was at police headquarters and had informed Mr. [ ] Administrative Assistant to Superintendent [ ] of all pertinent information concerning the matter he had just discussed with the Chicago Office.

b6  
b7C

[ ] also advised that he omitted to relate that the NSRP reportedly holds meetings every Wednesday evening at 7:30 p.m. at their headquarters, 2237 N. Western Avenue, Chicago.

As indicated in Chicago teletype of 8/3/66, under above caption, the JOSEPH DYLLIS referred to above apparently refers to JOSEPH DILYS, Chicago file 105-8307, who has a missing left leg and is known, according to the file, to be a prolific letter writer and distributor of leaflets and pamphlets which are anti-Jewish and anti-Negro in content.

On 8/4/66, Mr. [ ] telephonically advised the writer that he had learned from his sources that there was a strong possibility of a coalition movement to march in Gage Park on Friday, Saturday and Sunday (8/5, 6, 7/66), by captioned group. He also related that Dr. MARTIN LUTHER KING was then in Chicago and that a strategy session was then being held by leaders of the SCLC. He stated that there probably would be no demonstration on that date, 8/4/66. He also related that he had ascertained no further information concerning the matter discussed on 8/3/66. He stated that in the event he received any information which he believed should be passed on to the FBI which would not compromise the necessity for maintaining information he received as confidential, he would immediately notify the Chicago Office.

Action taken and results of same based on information furnished by [ ] may be found in captioned file in subsequent teletypes and LHMS.

They are reported to have driven to the Calumet Park area and began passing out anti-Negro literature.

This literature has not been seen. However, some of the contents were said to have compared the size of a Negro brain with that of various animals; the Negro coming out at the short end of the deal.

This literature was also reported to have been put out by the NSRP.

The passing out of NSRP literature, or the joining in any political activity of the NSRP, by members of the ANP is against the direct orders of Commander GEORGE LINCOLN ROCKWELL, head of the ANP. The actions of [redacted] were also against the direct and specific orders of Lt. [redacted] head of the Midwest Headquarters, who had instructed [redacted] not to engage in the very activity that they did on the evening of Thursday, June 23, 1966. His instructions to them, within one week of the occurrence, was a direct order for them not to engage in that particular activity, as it was not in the best interests of the ANP.

After passing out some of their literature in the Calumet Park area, [redacted] and [redacted] then began moving north. They did make stops in various other neighborhoods, however, and passed out more literature.

b6  
b7C  
b7D

In the Calumet area, it is reported that they placed most of the literature around Negro churches. One of the main stops they made while moving back to the north was in the area of 63rd and Drexel. They picked this area because [redacted] lives, or lived, in that section.

[redacted] both later stated that they were surprised by the reception they got. They reported that most of the Negroes they saw reading the literature simply laughed at it.

b6  
b7C  
b7D

They finally decided to leave the area entirely and return to the north side of the city.

They were driving north on a street, name not learned, when [redacted] instructed the driver to stop for a minute so he could place some literature on the porch of a building they were passing.

Either while [redacted] was out of the car or shortly after he returned to it, a white Thunderbird pulled up and partially blocked them off. There was one person in the car, a male Negro, wearing a "T" shirt.

b6  
b7C  
b7D

As [redacted] later explained it, he thought the man was trying to hold them until some of his friends arrived by blocking their car. [redacted] instructed [redacted] who evidently was driving their car, to pull around the Thunderbird and get away from him.

With [redacted] driving and [redacted] as passengers, the Volkswagen raced away and under the direction of [redacted] drove the wrong way on a one way street, with the Thunderbird in hot pursuit. They also ran several red lights, the Thunderbird still in pursuit.

b6  
b7C  
b7D

They were finally stopped by uniformed Chicago Police officers. The man driving the Thunderbird was reported to have identified himself as an off-duty Chicago police officer. However, [redacted] said later that at no time did he display any identification that they saw.

All four persons were taken to a local police station. The location of their being stopped by police and the location of the station they were taken to is not known.

[redacted] was booked on littering, disorderly conduct, and carrying a concealed weapon. It was said by both [redacted] was carrying a gun, believed to be a revolver, caliber not determined. His court date was set for July 7, a Thursday, 1966, at 26th and California, Chicago.

b6  
b7C  
b7D

[redacted] was booked for littering, disorderly conduct, and suspicion of narcotics. The narcotics charge stemmed from his having a bottle of stomach capsules, containing Pepsin, in his possession. [redacted] both claimed that this was a patent medicine and could be purchased over any drug counter. He too is to appear in court July 7, 1966.

b6  
b7C  
b7D

[redacted] was booked on littering and disorderly conduct. Evidently, the police did not find the blackjack she was carrying.

[redacted] was booked on littering, disorderly conduct, several traffic violations and narcotics. The narcotics charge stemmed from a doctor's prescription, and some patent medicine she was carrying. She was also booked on a gun charge. This gun was found under a seat and she was booked for it since she was driving. The presence and discovery of this gun was evidently as much of a surprise to them as it was to the police.

Both women are to appear in court on June 27, 1966, Monday, at 26th and California.

They were using [redacted] car, but he did not accompany them. If any action was taken against him by police, it was not learned.

[redacted] was described in an earlier report covering a visit by GEORGE LINCOLN ROCKWELL on May 10, 1966; her name at that time was not mentioned.

In connection with this proposed march, Chicago Police Department sources on August 5, 1966, advised the Chicago Office of the Federal Bureau of Investigation (FBI) that plans were made for the designation of sufficient manpower to maintain order during the proposed march and this would include both uniformed and plainclothes personnel.

Chief of Patrol [redacted] acting for Deputy Superintendent [redacted] Bureau of Field Services, Chicago Police Department, furnished the information on August 5, 1966, that approximately 600 officers were mobilized for duty in the march area and reserves would allow an increase to 1,000.

b6  
b7C

According to Chicago Police Department sources, rumors were reported to be circulating in the Gage Park area of Chicago that unidentified youths were making molotov cocktails, storing bricks and ball bats in the Marquette Park area. Efforts were being made to determine if there was any truth to the rumor.

A Chicago source, who has furnished reliable information in the past, advised on August 5, 1966, that [redacted] Organizer, Chicago National State's Rights Party, on August 4, 1966, asserted he had received numerous telephone calls and letters inquiring about this organization. He was alleged to have stated if Doctor King were to lead a march into the Gage Park area, he expected NSRP sympathizers to be present to register disapproval. Several members of the organization were expected to be in the area to distribute NSRP literature. The National and the Chicago NSRP are characterized in the attached appendix pages.

b6  
b7C

[redacted] was interviewed on August 5, 1966, by Special Agents of the FBI and advised as follows:

Several members of the NSRP planned to distribute literature in the Gage Park area on August 5, 1966, but he did not divulge their names. He added NSRP planned no activity other than this.

He said the Chicago NSRP was not attempting to have citizens arm themselves, although several NSRP members had personal weapons for their own protection and use. He stated NSRP had not purchased any guns. He also said that since the earlier disturbance in the Gage Park area, (referring to the incidents of the night of July 31, 1966), inquiries concerning NSRP had been made and there were increased mailings of literature to persons expressing interest. He said NSRP had no plan to "get Martin Luther King" and stated this was an unfounded rumor. He said NSRP believes in segregation and, therefore, they are attempting to unite white people to stop any integration movement.

Executive Director [redacted] Organization for Southwest Community, an organization seeking to improve relations between various ethnic groups in the southwest area of Chicago, and located at 737 West 79th Street, Chicago, advised on August 5, 1966, that continued marches by civil rights demonstrators into the surrounding white residents' area would result in new violence and resistance by those residents. His opinion was that police would have difficulty preventing acts of violence because of the number of persons opposed to the persons or demonstrators in the area. He claimed to know of no organized group or individual seeking to cause violence. He understood demonstrations were to be extended into the Bogan area of Chicago, (area bordered on the east by Western Avenue, 2400 west; on the west by Cicero Avenue, 4800 west; 75th Street on the north and 87th Street on the south). [redacted] stated he attended a meeting of community groups representing the Bogan area on August 4, 1966, where the demonstrations being held were discussed and attempts made to prepare the community for them. It was his observation that area residents are hostile to the idea of civil rights marchers in that area.

Officer [ ] of the Office of the Deputy Superintendent Conlisk, advised at 2:25 p.m., on August 5, 1966, approximately 300 individuals had assembled at the New Friendship Baptist Church, 844 West 71st Street. Three groups of 30 pickets each departed that location at 2:20 p.m., en route to demonstrate at three real estate offices in the Chicago Lawn area. These were Rio Realty, 2733 West 63rd Street; Mark Realty, 3018 West 63rd Street; and Geissler Realty, 2749 West 63rd Street.

b6  
b7C

The remaining demonstrators were to leave the site later and join those who had already departed; then the entire group was to proceed to Halvorsen Realty, 3145 West 63rd Street. The group at the last location would stage a demonstration protesting the failure to rent or to sell homes to prospective Negro buyers or renters.

Sergeant [ ] Communications Division, Chicago Police Department advised at approximately 3:30 p.m. there were reports that police cars were being stoned in the vicinity of 71st and South Paulina in the area of the proposed route of travel by the demonstrators, and at 3:50 p.m., autos carrying Negroes were also being stoned as they moved on 71st Street in the area where the main body of demonstrators would pass in cars. Also a group of approximately 500 hecklers had assembled in the area of South California and West Marquette Road on the route of the pending march. Members of this group carried anti-Negro signs and displayed confederate flags.

b6  
b7C

At approximately 4:00 p.m., the main body of demonstrators departed the New Friendship Baptist Church, 844 West 71st Street, in approximately 100 automobiles en route to Marquette Park. The motorcade was reportedly stoned by white youths as it moved on 71st Street.

According to Watch Commander Captain [REDACTED] 8th District, Chicago Police Department, Martin Luther King, Jr., arrived at 844 West 71st Street at approximately 3:15 p.m. and joined the meeting then in progress. He was reported to have departed in a white Chrysler automobile from that address at approximately 4:10 p.m., possibly destined for Marquette Park. According to Chicago Police Department sources, at 4:35 p.m., approximately 500 demonstrators arrived at Marquette Park where they encountered approximately 1,500 youths waiting at the park. Fights immediately broke out between these groups and additional police were brought into the area. The police succeeded in separating the marchers from the youths.

b6  
b7C

The body of marchers at approximately 5:46 p.m., marched on foot from Marquette Park to Halvorsen Realty without violent incident. At 6:30 p.m., they had departed the realty company and were returning to Marquette Park which they reached at about 6:50 p.m..

Watch Commander [REDACTED] advised that the body of marchers began to depart Marquette Park at approximately 7:25 p.m. aboard two Chicago Transit Authority buses and in private automobiles. As they departed a crowd estimated at about 2,500 had gathered in Marquette Park and heckled the departing demonstrators while cherry bombs were exploded in the area. By 8:05 p.m., all demonstrators had departed to return to 844 West 71st Street.

b6  
b7C

According to Captain [REDACTED] two policemen on the march detail were reported injured by an exploding bottle and were taken to Holy Cross Hospital for treatment..

At Marquette Road and South Mozart, postal inspectors were to open a postal box because an unidentified individual allegedly deposited fire arms into the box as he was approached by a police officer.

[ ] Chicago Commission on Human Relations reported that King, while he had been present among the marchers on August 5, 1966, was struck by a rock thrown by an unknown person. He reportedly was not injured.

Commander [ ] mentioned previously, furnished information at 9:40 p.m., that King, Al Raby, Convener, Co-ordinating Committee of Community Organizations and the majority of the demonstrators had departed 844 West 71st Street. He said two cars of civil rights marchers had been towed to the church from Marquette Park, one of which had broken windows. He said he understood several cars of marchers sustained broken windows.

Commander [ ] said he had talked to King when he was at 844 West 71st Street and the latter stated he was hit by a rock or stone on the back of the neck or head and on his leg, but he was not hurt. It was also determined that Raby had been hit in the back by a stone during the march.

Officer [redacted] Human Relations Unit, Chicago Police Department, advised that the Property Owners Co-Ordinating Committee (POCC) branch office at 1610 West 69th Street, Chicago, Planned a meeting for August 5, 1966, at West 59th Street and South Pulaski, Chicago, for the purpose of promoting issues to stop marches by the SCLC and the CCCO in the Gage Park Area.

It was reported that representatives of the following organizations would be present:

John Birch Society, "We the People", American Nazi Party, Marquette Park Lithuanian Home Owners Association, 6601 South Artesian. This meeting was to be chaired by Simon T. Sutton, Chairman of the POCC.

A second Chicago source who has furnished reliable information in the past advised on August 5, 1966, that having met members of the American Nazi Party on August 5, 1966, he was sure no members of the Chicago unit attended the above meeting.

The American Nazi Party and the Chicago Branch individually are characterized in the attached appendix pages.

The Chicago "Daily News", June 9, 1966, in an article described Sutton as Chairman Pro Tem of POCC representing 225 city and suburban civic groups. The article indicated Sutton and his group opposed demands by Martin Luther King for an "open city" presented to Mayor Richard J. Daley, Chicago.

The same newspaper on August 6, 1966, contained an article titled "Whites Threaten Their Own March". Walter Douglas, 34, 7431 South Walcott, described as spokesman for the Murray Park Improvement Association, was reported to have told a meeting on August 5, 1966, at 5917 South Pulaski, that whites will march "in the other direction" unless Doctor Martin Luther King, Jr. ceased his marches. He was described as speaking to 500 cheering whites at a special meeting where it was said methods would have to be found to curtail the financing to Dr. King's activities here. Douglas was said to have urged whites to stay home and ignore the Negro and white civil rights demonstrators. It was stated that he was backed in his plea by State Representative Walter Mc Avoy, State Senator John Lanigan and State Representative Carl Klein, all Republicans who live in or near the "strife-torn Chicago Lawn neighborhood". The article said that many members of the Chicago Lawn Civic Association also attended the meeting.

Doctor Martin Luther King was said to have departed for Atlanta, Georgia, Saturday, August 6, 1966, and was not to return to Chicago until Thursday, August 11, 1966, after the convention of the Southern Christian Leadership Conference in Jackson, Mississippi.

At the court appearances on Saturday, August 6, 1966, 41 of 43 arrested during the disorders Friday were told by Magistrate Ben Edelstein "We cannot tolerate people interfering with lawful assembly whether it be white, black or whatever nationality". The Magistrate fined ten persons \$50.00 each on disorderly conduct charges, issued warrants for two persons who failed to show up and continued the cases against them, discharged one defendant and granted continuance to the rest. The "Chicago Sun-Times" final edition, August 8, 1966, in headlines on page one proclaimed "1,100 in Cragin March; Disperse Hecklers." It stated jeering whites assaulted 1,100 civil rights marchers with rocks, bottles and cherry-bomb firecrackers Sunday. "A total of 500 policemen kept an estimated 5,000 whites on the opposite side of the street from the marchers." The paper mentioned that one white person, unnamed, was put into a squad car, blood flowing from a head wound inflicted by a police night stick. It said this incident brought cries of "police brutality" from the crowd. Policemen were described as surging frequently into the "mob" and using their night sticks to disperse the counterdemonstrators. The police were said to have been aided by rain which fell at the height of the tension. Al Raby was quoted as having praised the police action as "professionalism at its best."

It was stated that the police adopted a new plan for heading off trouble by diverting columns of whites to side streets.

It was stated the NSRP distributed leaflets and a sign carried by a white person read "National State's Rights Party Defends White Womanhood."

Reverend Jesse Jackson was said to have announced there would be no march on Monday, August 8, 1966, but there would be a mass meeting at 8:00 PM at 3101 West Warren Boulevard when further march plans would be discussed.

The "Chicago Sun-Times" of August 8, 1966, contained an article reflecting a plea by pastors of churches in the Chicago Lawn-Gage Park area for peace during civil rights demonstrations.

Outside St. Nicholas of Tolentine and other Roman Catholic churches in the area pamphlets were passed out criticizing those "friendly to communists and criminal causes that are bringing chaos to our community resulting in riot, property damage and personal injury."

The article stated that the pamphlet was published by the Christians Against Atheistic Communists, 1610 West 69th."

It is noted that the Property Owners Coordinating Committee branch office, mentioned previously, occupies the same address.

meeting called by the Property Owners Coordinating Committee on August 5, 1966, was held at 5917 South Pulaski, Chicago. In addition to the remarks of Walter Douglas, set out previously, John Lanigan, Republican State Congressman, spoke and requested persons to write letters to their Congressmen and to the Governor, protesting open occupancy. He also asked why Mayor Daley permits these marchers to march without a permit. Also, Carl Klein, Republican State Representative, said he concurred with Mr. Lanigan and stated that meetings should be set up with Mayor Daley along with Alderman Healy (13th Ward) relative to the marchers in the area. [redacted] an attorney from Princeton, Illinois, possibly identical with the [redacted] previously described as the proposed chairman of this meeting, said he had assisted in bonding out residents who had been arrested earlier in the evening and he would continue to aid this group in any way he could. [redacted] told the group that he had been a resident of this community for 40 years and did not intend to be pushed out. It was reported he was also instrumental in bonding out arrestees of the community from the arrests earlier in the evening.

The actual chairman of the meeting was said to be [redacted] described as connected with the Chicago Lawn Home Owners. He urged the residents of the community to ignore the marchers and keep their children in their homes. He asked support of the local police department. A suggestion was made to have a future meeting at 69th and Western Avenue in two weeks to form a committee for action.

According to the "Chicago Daily News" December 7, 1964, David Sheehan of 4344 West 78th Street, was an admitted member of the John Birch Society.

Fifth: Chicago source, who has furnished reliable information in the past, on September 21, 1965, furnished the information that representatives of the Christians Against Atheistic Communists, 4344 West 78th Street, had in the previous two weeks distributed a newsletter type leaflet titled "When Will Our Clergy March Against Atheistic Communists" and another leaflet titled "Martin Luther King at the Communist Training School" at two Southwest Side Catholic churches. It was determined that Mr. and Mrs. [redacted] reside at this address and it was learned that [redacted] started the organization known as Christians Against Atheistic Communists early in 1965 and was the sole head of it. It was learned that Mr. and Mrs. [redacted] were members of the John Birch Society at the time.

The "Chicago Daily News" on August 8, 1966, contained an article stating six white persons arrested in a disturbance in the Cragin-Hanson Park area were fined from \$25.00 to \$100.00 by jury court magistrate James Sullivan. Daniel Crooker was found guilty of disorderly conduct and was fined \$100.00. Raymond Sowa was fined \$100.00 and police said he had been passing out

Michael Constanza was fined \$25.00 after pleading guilty to a charge of disorderly conduct. Robert Sparzynski was fined \$25.00 after pleading guilty to a disorderly conduct charge as was Ernest Walters whose fine amounted to \$50.00. Several cases were continued to September 8, 1966, because the arresting officers were unable to appear in court.

NATIONAL STATES RIGHTS PARTY

A source advised on February 8, 1966, that the Chicago Branch of the National States Rights Party(NSRP) is located at the NSRP National Bookshop at 2237 North Western Avenue, Chicago, Illinois. The Chicago Branch of the NSRP was officially opened on December 29, 1965, when Dr. EDWARD R. FIELDS, National Director of the NSRP, spoke at a rally held at 2237 North Western Avenue, Chicago.

[redacted] an organizer for the Chicago Branch of the NSRP, resides at [redacted] Chicago. b6 b7C

This source also advised that the National Office of the NSRP is located at Augusta, Georgia, and the Chicago Branch of the NSRP subscribes to the policies of the National Office of the NSRP. The NSRP believes that there should not be race mixing between whites and Negroes and that Negroes in the United States by conducting demonstrations and causing riots are causing a breakdown of law and order in the United States. The NSRP also believes that the Jewish people are financing many of the Negro demonstrations, and, therefore, the Jewish people are responsible for race mixing and the breakdown of law and order in the United States. The NSRP believes that the Jews and the Negroes should be exposed in their attempts to have integration between whites and Negroes.

Several members of the Chicago Branch of the NSRP plan to distribute NSRP literature in the Gage Park area on August 5, 1966. He would not divulge the names of the above NSRP members and stated the NSRP plans no other activity except literature distribution. He stated the NSRP in Chicago is not attempting to have citizens arm themselves, although several NSRP members have personal weapons for their own use and protection. He added that the NSRP has not purchased any guns. Since the Gage Park area disturbances, the NSRP in Chicago has received many telephone and mail inquiries concerning the NSRP and because of this, they have increased their mailing of NSRP literature to individuals expressing an interest in the NSRP. [REDACTED] added that the NSRP believes in segregation and therefore, they are attempting to unite white people to stop integration.

[REDACTED] was hostile and sarcastic during the interview and it was quite obvious that he would not be completely truthful in his statements.

The gun shop has made no excessive sales  
of handguns, hunting weapons, or ammunition to any  
one individual or organization during the past few  
weeks or months. Guns of various caliber have been  
purchased on a one or two gun basis and have not  
gone to any particular area of Chicago or Cook

[redacted] noted that following the race  
riot in Chicago in mid-July, 1966, in which the  
National Guard was called out, that gun sales increased  
for a few days and then returned to normal. Sales  
were made to both Negroes and Caucasians. Most of  
the sales were to police officers and to persons  
bearing creditable identification.

On August 12, 1966, the News-Post, a Baltimore daily newspaper, carried an article that a reporter had been told that JOSEPH CARROLL, RICHARD BERRY NORTON, and CHARLES CONLEY LYNCH, representatives of the National States Rights Party (NSRP), might go to Chicago, Illinois, over the weekend of 8/12-14/66.

Information available to this office through regular liaison with Police Departments indicate [redacted] has, in the past, made statements to newsmen without any basis of fact. Also, he has been cooperative with both City Police Department and Baltimore County Police Bureau in advising them of his plans.

Because of the current racial situation, it was believed desirable to pin down possibility of such action on part of NSRP immediately. Therefore, on August 12, 1966, [redacted] was interviewed as to his future plans and he advised he had no plans to go to Chicago on the weekend of 8/12-14/66 and knew of no such plans on the part of NORTON. ### PROGRESSIVE LABOR PARTY (PLP) PROGRESSIVE LABOR MOVEMENT (PLM)

A source advised on April 20, 1965, that the PLP, formerly known as the PLM, held its first national convention April 15-18, 1965, at New York City, to organize the PLM into a PLP. The PLP will have as its ultimate objective the establishment of a militant working class movement based on Marxism-Leninism.

"The New York Times", City Edition, Tuesday, April 20, 1965, page 27, reported that a new party of "revolutionary socialism" was formally founded on April 18, 1965, under the name of the PLP. The PLP was described as an outgrowth of the PLM. Its officers were identified as MILTON ROSEN, New York, President, and WILLIAM EPTON of New York and MORT SCHEER of San Francisco, Vice Presidents. A 20-member National Committee was elected to direct the party until the next convention.

According to the article, "The Progressive Labor Movement was founded in 1962 by Mr. Rosen and Mr. Scheer after they were expelled from the Communist Party of the United States for assertedly following the Chinese Communist line."

The PLP publishes the "Marxist-Leninist Quarterly," a theoretical magazine; "Progressive Labor", a monthly magazine; "Challenge", a New York City newspaper; and "Spark", a West Coast newspaper.

The June 1, 1965, issue of "Challenge", page 6, states that, "this paper is dedicated to fight for a new way of life where the working men and women own and control their homes, factories, the police, courts, and the entire government on every level."

The source advised that the PLP utilizes the address of General Post Office Box 808, Brooklyn 1, New York, but also utilizes an office in Room 622, 132 Nassau Street, New York City, where PLP publications are prepared.

The August 17, 1966 Three Star Final edition of the "Chicago Tribune", a daily newspaper published at Chicago, Illinois, revealed that the Reverend James Bevel, SCLC Staff Worker, held a press conference prior to the above described demonstrations and gave the following reasons for the picketings:

RE: DEMONSTRATIONS BY CFM-SCLC, GAGE PARK  
AREA, CHICAGO, ILLINOIS;  
NATIONAL STATES RIGHTS PARTY;  
AMERICAN NAZI PARTY

Reverend Bevel told reporters the Chicago Housing Authorities Offices were picketed because the agency had failed to build housing projects outside of predominantly Negro areas.

The County Welfare Offices were picketed because relief recipients had not been housed outside of Negro areas.

The City Hall was picketed because, Bevel said, Mayor Daley had failed to enforce the open housing ordinance.

The Chicago Real Estate Board was picketed because it had failed to enforce open housing.

The First Federal Savings and Loan Association was picketed because Bevel said, it failed to lend money to Negroes for homes outside of the Negro areas.

On August 16 and 17, 1966, pertinent portions of the above information was provided to the following individuals:

Nothing unusual happened during P.M. of August 19, 1966, and during morning of August 20, 1966, [redacted] and [redacted] went to National States Rights Party (NSRP) Headquarters at 2237 N. Western Avenue, Chicago, which houses the National Book Store. Several NSRP members were contacted and a general discussion took place at the headquarters. During the discussion, both [redacted] warned [redacted] to be careful of his speech and activities over this weekend because tensions would probably be at a high level and the local police would probably make arrests of individuals more freely than they normally would.

[redacted] who reside on Western Avenue in Chicago, and who are alleged NSRP members, made an appearance later in the day and accompanied [redacted] to several locations in the city.

During the weekend a number of individuals filled out applications to join the National Knights of the Klux Klan (NKKKK) and it is believed that many of these

Saturday night some of the NSRP members escorted [ ] and [ ] to a nearby hotel to get a room, however, after these NSRP people parted [ ] decided not to stay at this unnamed hotel and [ ] plus his two associates finally stayed at the Niles Motor Inn located on Milwaukee Avenue, Niles, Illinois.

Nothing unusual happened during the night of August 20, 1966, and after breakfast, Sunday, August 21, 1966, [ ] proceeded to the NSRP hall and were joined there by Cleveland Klansmen identified as [ ] and [ ] was of the belief that [ ] and [ ] were not really there on behalf of the Klan, but probably there on behalf of the North American Alliance for White People (NAAWP) which has headquarters in Cleveland, Ohio.

Later this date the group proceeded to Marquette Park and [ ] was arrested by the local police for making a speech without a permit. Other unidentified Klansmen were on the scene from St. Louis, Missouri, Wisconsin, Illinois, Kentucky, and Michigan. It is estimated that 50 Klansmen representing the United Klans of America (UKA) and NKKKK were there. That night [ ] ended up

in Cicero, Illinois, at the Plaza Motel located on Cicero Avenue. However, [ ] left early and said he was going to stay with an unnamed relative in the area. There were no meetings with anyone in Cicero and the local police department was aware of their presence in that city.

On Monday, August 22, 1966, [ ] and [ ] spent the morning attempting to locate future rally sites telephonically. [ ] appeared in court at 2 p.m. this date in connection with his above described arrest and he was convicted and fined \$200.

8/22/68

[redacted] advised that subsequent to meeting with the writer on August 19, 1966, that he visited the Chicago headquarters of the American Nazi Party (ANP), 1314 West Ohio Street, on the evening of August 19, 1966. Although the individual who headed the Chicago Chapter was not there [redacted] left his name with an unidentified Party member. [redacted] stated that he then visited the ANP headquarters shortly after noon on August 20, 1966, and was met at the headquarters by the head of the Chicago Chapter who has a Polish name but not recalled by [redacted] recalls knowing this individual when he, [redacted] was involved in the ANP back in 1964. This person greeted [redacted] using the latter's first name and then said "Come along with us, we're going to the airport to meet ROCKWELL."

b6  
b7C  
b7D

[redacted] this person, and two other individuals then proceeded to the airport in a Chevrolet Greenbrier Van with the driver of the vehicle staying with it while the other three men entered the airport. Immediately upon arriving at the airport, [redacted] stated he noticed a small man whom he described as "Jewish" in appearance take pictures of the three men and on one occasion following [redacted] into the Men's Room, unknown to the latter, and taking a photograph of him there with a small miniature camera. Around 2:00 p.m. ROCKWELL was the first person to leave the airplane as it pulled into the terminal. He was dressed in civilian clothes with no uniform markings whatsoever. The five men then returned to Chicago's Loop.

b6  
b7C  
b7D

ROCKWELL appeared to be very excited concerning the forthcoming events and indicated that he had removed all his personal identification papers from his person as he expected to be arrested upon his arrival in Chicago. He was carrying two suitcases which he had checked through.

Upon arrival in Chicago's Loop the group observed the picketing taking place in front of the Federal Building, 219 South Dearborn, and ROCKWELL immediately requested the van to stop, he got out, went over to the picketing group, and began "badgering them" for a few moments and then returned to the vehicle. ROCKWELL apparently resided at the ANP headquarters that evening and the next evening as his suitcases were taken into that establishment.

[redacted] and other ANP members after leaving ROCKWELL proceeded to the Marquette Park area where they passed out ANP leaflets. One of the men was stopped by the police for violating the littering ordinance although he was subsequently released from the police car, a little while later the police returned and read off detailed instructions to one of the ANP members as to the anti-littering ordinance which indicated that pamphlets that were passed out had to be a certain size and shape.

b6  
b7C  
b7D

This and other events which transpired on the next day led [redacted] to believe that the police officers were somewhat in sympathy with the ANP movement.

[redacted] arrived at the Marquette Park area about fifteen minutes after ROCKWELL was speaking to a group estimated by [redacted] to be about 3,000 people. A police unit drove up and indicated to ROCKWELL that he was in violation of a city ordinance concerning his speech making activities. [redacted] stated that the crowd around started to surge toward the vehicle, an amplifying truck, but approximately twelve ANP members including himself held their hands up to the crowd with their backs to the vehicle indicating non-violence with regard to the police interception. Apparently as a result of the crowd action the police left the area and ROCKWELL continued his talk. During the afternoon ROCKWELL requested all young people groups including motorcycle groups to appear at a meeting that night at 7:30 p.m. at the ANP headquarters. [redacted] stated that ROCKWELL has changed his position apparently since 1964 and now is utilizing the MARTIN LUTHER KING technique of non-violence approach to Civil Rights matters.

b6  
b7C  
b7D

[redacted] stated that at Marquette Park he passed out ANP literature stating that he was most surprised by the fact that so many of the individuals were middle aged and older who were interested in ROCKWELL's message. He stated that the printed literature he passed out was gone in moments as people were so eager to get their hands on it.

[redacted] stated that during the meeting Sunday evening at ANP headquarters he was the doorman and indicated that all together over 300 people were present, although that many people were not in the building at the same time. ROCKWELL talked to the group and exhorted them to participate in the next activity which was to be on September 10, 1966, a march into the Negro sections of the city. The room was

b6  
b7C  
b7D

[redacted]  
largely filled with young people who would go in and out of the building and be replaced by others primarily because of the excess of heat.

It was [redacted] understanding of ROCKWELL's new technique that the march into the Negro sections would be made and that undoubtedly physical reaction would take place from Negro bystanders which then would be of necessity be quelled by the police officers. The meeting lasted for about two hours and then ROCKWELL joined the members of the ANP who live at the headquarters in a meeting upstairs which [redacted] did not attend.

Reference is made to Chicago memorandum dated August 25, 1966, captioned as above.

A source, who has furnished reliable information in the past, advised on August 25, 1966, that a meeting of the Chicago Branch NSRP was held on the evening of August 24, 1966, at 2237 North Western Avenue, Chicago, Illinois. Approximately 35 persons attended this meeting and Rev. Charles (Connie) Lynch, Organizer for the NSRP from California, was the main speaker.

The above source stated that Lynch advised those present that he had to appear in court on the following Tuesday regarding his arrest in Marquette Park for speaking without a permit on Sunday, August 21, 1966. Lynch requested those present who were in the park and who could testify that they heard George Lincoln Rockwell of the ANP speak in the park at the same time appear in court on Tuesday to testify to this information. Lynch pointed out that Rockwell, utilizing loud-speakers was not arrested while he, Lynch, was.

Lynch made several references to Bible quotations in support of the white race as opposed to the Negroes. He referred to the Federal Bureau of Investigation (FBI) as "Nigger babysitters" and "agents of hell" and in general condemned police activities in the civil rights movement as being in favor of the Negro and resorting to "beating the hell out of the whites." He further indicated that every law since World War II which had been legislated has been against the white race. Lynch spoke at length concerning state's rights in regard to segregation matters and pointed out how the federal government has unconstitutionally intervened against the states. Lynch informed those present that after the meeting he would be going to Dayton and would be returning to Chicago in time for his court appearance on Tuesday next.

A second source, who has furnished reliable information in the past, advised that Lynch had talked at the above NSRP meeting on August 24, 1966.

This source said Lynch stated he had spoke at a NSRP rally in Marquette Park on August 21, 1966, and had been arrested by the Chicago Police Department for speaking at the rally without a permit. He was arrested because he was providing leadership for the white people who are opposed to integration. The Gestapo-like action of the Chicago Police Department in arresting him proves that the white people in Chicago are not being allowed to oppose integration and protect their homes and families from the Negroes who are trying to move into all white areas. Lynch quoted excerpts from the Bible and said the Bible teaches and calls for separation of the races, and therefore, he is against integration. Integration is one of the most evil things exist-

ing in their country today and white people must resist the attempts of those who are calling for increased integration or there will be a mongrelization of the races which will eventually destroy the white race. Lynch called for repatriation of the Negroes in this country and said they should "get the black varmits out of this country and send them back to Africa." To accomplish this, they will have to throw the gangsters out of office in Washington because federal officials are also responsible for allowing integration to continue. Lynch said he would challenge anyone to charge him with treason if all he said was not true.

Lynch said the NSRP must work to organize the white people if they expect to stop integration and said that when all of the white people are organized, they will be able to do something to stop the tide of integration.

Officer [ ] of the Office of the Deputy Superintendent, Chicago Police Department, advised on August 25, 1966, that the Southern Christian Leadership Conference (SCLC) demonstration for that date would be held in the area of Hanson Park in the Belmont-Cragin area of Chicago. Demonstrators were to assemble at 2:30 p.m. at 3101 West Warren Boulevard, where a meeting would be held and the group would proceed to Hanson Park. They were to wait at the Park until 6:30 p.m., and conduct a march until sunset. The line of march was to be:

b6  
b7C

North on Central to Fullerton, East on Fullerton to Laramie, South on Laramie to Palmer, West on Palmer to Lemon, North on Lemon to Fullerton, West on Fullerton to Central, thence to the Park.

It may be noted that Hanson Park has been utilized previously by the Chicago Freedom Movement (CFM) as a point of assembly prior to marches into the Belmont-Cragin area, and large groups of white persons, principally teenagers, have gathered and heckled, throwing rocks and firecrackers at demonstrators.

[ ] Illinois Commission on Human Relations, advised on August 25, 1966, a meeting had been held with representatives of the Commission on Human Relations (CHR), Cook County Sheriff Richard B. Ogilvie, Cicero, Illinois City Attorney Christy S. Berkos, and Dr. Alvin Pitcher of the CFM. The purpose of the meeting was to discuss a march scheduled by the CFM in Cicero, Illinois, Sunday, August 29, 1966. It was expected the marchers would approximate 1,500. The line of march, which at the time was confidential, was to be:

b6  
b7C

Assembly at 2:30 p.m. at 3101 West Warren Boulevard, Chicago, with a probable departure time approximately 3:30 p.m. to 4:00 p.m. Marchers would assemble on the South side of Cermak Road at South Kostner, then proceed on foot West on Cermak to Cicero Avenue (4800 West and located in Cicero, Illinois). The marchers would proceed South on the West side of Cicero to 24th Street, West on the North side of 24th Street to Central Avenue, North on the east side of Central to Cermak, and East on the South side of Cermak to Kostner where the group would disband. Prayer vigils were to take place at the James C. Soper Realty Office, 5003 Cermak Road, and Higgins Realty, 5001 Cermak Road, both Cicero, Illinois.

The possibility existed the marchers would be permitted to use the streets instead of parading on the sidewalks. This would be of assistance to protect the forces since the marchers would be enabled to march about twelve abreast. Pitcher presented a letter to Berkos requesting a parade permit and the indication was it would be issued.

Lieutenant [redacted] Communications Unit, Chicago Police Department, advised on August 25, 1966, that at 5:15 p.m., fifteen cars transporting approximately 90 persons moved from 3101 West Warren Boulevard, to Hanson Park, in the vicinity of Grand (2000 North) and Central (5600 West), and arrived at the Park at 5:36 p.m. without incident. Demonstrators assembled in the Park to begin their march at approximately 6:30 p.m. They were to conduct prayer vigils at the following realty offices:

Whitney and Ciancio  
2551 North Laramie;

Parker - Finney  
5043 West Fullerton;

Zygmunt  
5200 West Fullerton

Martin Luther King was scheduled to speak at the Liberty Baptist Church, 4849 South South Park, Chicago, at 8:00 p.m., on August 25, 1966.

[redacted], Chicago Commission on Human Relations (CCHR) advised that meetings between city and CFM representatives have continued on a daily basis, and a summit meeting between them is scheduled for August 26, 1966, and would include King and Mayor Richard J. Daley, Chicago.

A subcommittee of the Chicago Committee on Race and Religion has listed eight points of agreement as follows:

CCHR will initiate an expanded program enforcing fair housing laws.

The Conference on Religion and Race would institute permanent organizations representing city, business, industry, finance, real estate, labor, and civic groups to police and promote open housing.

Equal mortgage lending service.

Federal agencies will be asked to withhold mortgage support from firms practicing discrimination.

Chicago Real Estate Board to notify members of obligations in regard to housing laws.

Chicago Housing Authority will limit the height of its housing structures to eight stories.

Relocation activities on non-discriminatory by Urban Renewal Authorities.

The Cook County Department of Public Aid will obtain housing for welfare recipients despite city racial boundaries.

The press in Chicago has speculated that acceptance of the above points at the summit meeting may lead to cancellation of the August 28, 1966, march in Cicero.

Following are the proposals for reform which were submitted by the CFM on August 17, 1966:

TO ACHIEVE JUSTICE AND MAKE CHICAGO AN OPEN CITY

Reforms Proposed by the Chicago Freedom Movement -- August 17, 1966

1. The Mayor should immediately launch a new program to enforce the Chicago Fair Housing Ordinance effectively and vigorously everywhere in the city.

Specifically, we ask as 1st steps of such a good faith program:

- a) That the city policy of equal housing opportunity and a digest of the ordinance be required to be posted on the windows of all real estate offices in the city.
- b) That the City of Chicago test real estate offices for compliance with the law all over the city and on a year-round basis.
- c) That the City of Chicago launch a program of initiating complaints against violators of the ordinance all over the city and on a year-round basis.
- d) That the city hire additional people to enforce the law and act on complaints within 48 hours as is done by other city agencies where inspection reveals violations of liquor and food laws.
- e) That the licenses of real estate brokers found in clear violation of the law be immediately suspended.
- f) That the city seek the authority for a more powerful fair housing ordinance, one which would apply to property owners as well as to real estate brokers.

2. The Chicago Real Estate Board should:

- a) Immediately withdraw its support of the suit contesting the legality of the Chicago Fair Housing Ordinance.
- b) Withdraw its opposition to the Governor's fair housing executive order and to the fair housing provision of the 1966 federal civil rights bill and persuade other realtor groups to cease their warfare against the order and the proposed federal legislation.
- c) pledge to support an effective state fair housing law, one which applies to property owners as well as brokers, in the coming session of the state legislature.

3. The Chicago Housing Authority should adopt a policy of no more high rise public housing projects in the Negro ghetto and in high density areas. All groups present should support the CHA in such a policy.
4. The Cook County Department of Public Aid should end the containment policy of seeking housing for and placing Negro families solely in ghetto communities.
5. The Urban Renewal program should adopt a policy of using its relocation services to break down segregation barriers and to promote an open city.
6. Savings and Loan Associations and other financial institutions should adopt an effective policy of equal service and lend mortgage money to qualified Negro families for purchase of housing anywhere in the metropolitan area.
7. The Federal Deposit Insurance Corporation should suspend from membership any bank or savings and loan association which is found guilty of practicing racial discrimination in the provision of financial services to the public.
8. The Association of Commerce and Industry and the Chicago Federation of Labor-Industrial Union Council should pledge support of these reforms, and initiate vigorous education programs among their members on the morality of an open city. Business and labor leaders should also use their financial resources to build integrated low and middle income housing in areas outside the ghetto.
9. Religion leaders should pledge support of these reforms and initiate vigorous programs in closed communities on the morality of an open city. Religious institutions should also pledge financial support for the construction of integrated low and middle income housing in areas outside the ghetto.

Also found below are the proposals of Ely M. Aaron,  
Chairman, CCHR, on August 17, 1966;

Proposals  
of  
Rlv M. Aaron, Chairman  
Chicago Commission on Human Relations  
August 17, 1966

I want to thank the Chicago Conference on Religion and Race for taking the initiative in convening this conference. I believe I express the appreciation of the entire community in thanking the civic, business, labor, religious, and civil rights leaders who are present today around the conference table to resolve grave issues that confront us.

To assist in the constructive resolution of these issues, I personally wish to recommend that we conscientiously consider and seek to agree on the following matters. I wish to emphasize that these are proposals aimed at uniting us in a common purpose. We seek to open up opportunities throughout the entire metropolis, city and suburb, opportunities for freedom of residence and for all the other rights which are every man's inheritance under our law..

These are the proposals:

1. Inasmuch as the Circuit Court of Cook County has upheld Chicago's Fair Housing Ordinance the Chicago Real Estate Board recommend to all brokers that they comply, in letter and spirit, with the ordinance and with Governor Kerner's recent Executive Order. It is clear that many brokers are already faithfully observing the law.

2. The Chicago Real Estate Board establish a special subcommittee to work with similar subcommittees of the Commission on Human Relations and the Chicago Conference on Religion and Race to help work out guidelines for real estate brokers to implement the provisions of the Chicago Fair Housing Ordinance.

3. The Chicago Mortgage Bankers Association and the Cook County Council of Insured Savings Associations call upon their members to make mortgage loans in the city and suburbs without regard to religion, nationality, color or race.

4. The Commission on Human Relations give top priority to the investigation and the prompt resolution of complaints filed under the Chicago Fair Housing Ordinance.

5. The Coordinating Council of Community Organizations, the Southern Christian Leadership Conference and other civil rights groups call an immediate moratorium on marches into the neighborhoods to avoid turning these communities into battlegrounds for extremist and racist elements who are now flocking to these neighborhoods to foment more trouble. To prevent injuries to innocent citizens and to stop aggravating further the wounds of racial division, thus making it even harder to achieve reconciliation and freedom of residence in these neighborhoods.

6. With the help of the Illinois Commission on Human Relations, suburban communities hold "summit conferences" patterned after the one being held today.

7. The various suburbs follow the positive example of fair housing leadership set by Skokie, Park Forest and other suburbs and adopt fair housing ordinances similar to the one recently adopted by Maywood.

8. The North Suburban Real Estate Board, the Evanston-North Shore Board of Realtors, the Kane County Association of Real Estate Boards, the LaGrange Real Estate Board, the Waukegan-Lake County Board of Realtors, the Southwest Suburban Board of Realtors, the Oak Park Board of Realtors, the DuPage Board of Realtors, the Northwest Suburban Board of Realtors, the West Towns Board of Realtors, and the Aurora Board of Realtors immediately recommend their broker members that they comply in letter and spirit, with any local ordinance and with Governor Kerner's recent Executive Order.

9. In the city and suburb, public, parochial and other private school systems review their curriculums in order to improve teaching of young people to respect and comply with law and to recognize the rights of others regardless of religion, race or nationality.

10. In the entire metropolitan area churches and synagogues establish new educational projects to influence adults, especially parents, to respect the human rights of all others.

11. With the help of representatives of the real estate and housing industry from the suburbs and neighborhoods of the city, the Chicago Conference on Religion and Race set up a fair housing center which would have the following objectives:

- a) provide information to anyone requesting it, on fair housing and help in finding suitable housing;
- b) interpret and support fair housing laws and ordinances;
- and c) motivate people to take advantage of equal opportunities in housing.

There is included an additional statement of the Chicago Real Estate Board before the meeting called by the Conference on Race and Religion on August 7, 1966, and the statement of the Chicago Real Estate Board before the meeting on that date.

The Chicago Real Estate Board is an organization whose members are not subject to its control, beyond forfeiture of membership. As a voluntary association, it cannot dictate policy or social matters to its members, and certainly not to the customers of its members. Each individual broker conducts his business in the framework of his role as an agent under contract and his local situation. We, of course, urge our members to obey the law, but we leave the interpretation of the Chicago Ordinance to the individual broker in consultation with his attorney.

As specific recommendations, we suggest the following.

(1) A market research organization should be employed to make an objective survey, to determine the actual attitude of the people. This survey should be undertaken on a sampling basis, limited to buildings not managed by Realtor firms.

(2) Since the problem of integration varies from community to community—we recommend that conferences be organized at the community level with local civic leaders to seek concrete action attuned to the community's needs.

PRESIDENT

## ADDITIONAL STATEMENT OF THE CHICAGO REAL ESTATE BOARD BEFORE THE MEETING CALLED BY THE CONFERENCE ON RACE AND RELIGION

Wednesday, August 17, 1966

Responsive to the suggestions made during the August 17 group meeting—the Board of Directors of the Chicago Real Estate Board has authorized this statement.

1. As a leadership organization in Chicago, we state the fundamental principle that freedom of choice in housing is the right of every citizen. We believe all citizens should accept and honor that principle.

2. We reiterate our belief that progress in race relations can be produced only under a favorable climate—and that the technique of street demonstrations will harden bigotry and slow down the progress. If demonstrations do not terminate promptly we may lose control of our membership and be unable to fulfill the commitments we have here undertaken.

3. We have reflected carefully and have decided we will—as a Chicago organization—withdraw all opposition to the philosophy of open occupancy legislation at the state level—provided it is applicable to owners as well as to brokers—and we reserve the right to criticize detail as distinguished from philosophy—and we will request the state association of Real Estate Boards to do likewise but we cannot dictate to them.

4. We respond to the Human Relations Commission by stating we will effectively remind our members it is their duty to obey the Chicago Fair Housing Ordinance as their lawyers interpret its meaning. We do not accept the Governor's order as proper and will not ask compliance so long as it is under injunction. We accept the Commission's invitation to appoint a committee to help clarify the detailed application and meaning of the ordinance.

We object to the proposal by the Freedom Movement that the City or Citizens engage in testing real estate offices—this is unwarranted harassment.

5. We cannot sacrifice the principles we have espoused in our objection to the constitutionality of the Chicago ordinance—as requested by the Chicago Freedom Movement.

ROSS J. BEATTY  
PRESIDENT

STATEMENT OF THE CHICAGO REAL ESTATE BOARD BEFORE THE  
MEETING CALLED BY THE CONFERENCE ON RELIGION AND RACE

Wednesday, August 17, 1966

The representatives of the Chicago Real Estate Board welcome the opportunity to discuss the racial problem in Chicago, of which we are very much aware. We advised Dr. King several weeks ago that we were ready to meet with him and Mr. Raby under the proper circumstances. We consider this occasion meets this criterion as we are gathered with civic leaders to discuss a mutual problem. We are not here to negotiate as we do not feel that the problem is one that can be solved by the real estate industry on one side and the seekers of civil rights on the other side. Rather, we feel that this is a city-wide problem which should best be discussed by leaders of the city, of which we are one. We do not apologize for the course we have followed on this subject, in fact, we are proud of the fact that a number of Realtor members are Negroes. We feel that our members have taken their position in their community and done their best with this difficult problem.

We reiterate the fact that not all real estate brokers are Realtors. Only those affiliated with an association recognized by the National Association of Real Estate Boards are designated as Realtors. Our association has no direct relationship with those licensees in real estate who are not members and therefore do not necessarily adhere to our code of ethics.

To get this problem in focus, and to eliminate misunderstanding so that an effective approach can be developed, it is essential that the position of the Realtor be clearly understood. The Realtor accepting a listing from a property owner acts in the position of an agent. The Realtor does not own or control the product he offers. The relationship is the same as if the property owner had employed the Realtor to do a specific job of selling or renting his property. As a result of this agency relationship, the Realtor is bound by the conditions imposed by the property owner, written or implied. Under the law, the property owner has an individual right to sell or rent his home to whomever he chooses.

15

After many years of living on the firing line, Realtors have concluded that they cannot persuade the property owner, by whom they are employed, to take a particular position. Rather, they have concluded that this motivation must come from the people in the local community. When this event occurs, the Realtor will accommodate himself to this procedure and cooperate in aiding the property owner to bring about a successful conclusion.

We feel that, in this difficult and frustrating situation, it is only human nature to select someone to blame. Many people, with the very best of intentions, have erroneously attacked the real estate industry as being the cause of this problem. The more the Realtor is attacked, the more difficult becomes his job. The problem rests directly on the shoulders of the people. The Realtor, as an agent, is representing people and therefore either does what the client requests or he goes out of business.

We would like to suggest to the civil rights group that their policy in this particular respect may be in error. This particular problem is a delicate and difficult one. We feel that progress has been made by quiet persuasion. The problem will not be solved until whites voluntarily accept non-whites as neighbors, instead of fleeing as soon as a non-white moves in. It is our considered and honest opinion that the present marches are setting back the cause tremendously by developing bitterness in areas where some light was beginning to appear.

We have been asked why the real estate field has resisted the open occupancy laws. Our answer is again to emphasize the fact that the Realtor is an agent, and as such he represents the attitude and opinion of his clients; thus, he feels that it incumbent upon him as an agent to resist laws that will force individuals he serves to act contrary to their desires. We also feel that the sale of an individual home is something that should not be controlled by law, and we do not feel that an open occupancy law would solve the problem. There is abundant evidence that even with state open occupancy laws, the flight from the city by whites does not cease.

The present Chicago ordinance states that it is against the law for a real estate broker to discriminate because of race, creed or color. Does this mean that he may not accept a discriminatory listing? If it does, and if 95% of the people refuse to enter into a non-discriminatory listing, what then should the broker do? The ordinance and the

Kerner edict apply to the broker alone and not to the property owner.

The Chicago Real Estate Board is an organization whose members are not subject to its control, beyond forfeiture of membership. As a voluntary association, it cannot dictate policy in social matters to its members, and certainly not to the customers of its members. Each individual broker conducts his business in the framework of his role as an agent under contract and his local situation. We, of course, urge our members to obey the law, but we leave the interpretation of the Chicago Ordinance to the individual broker, in consultation with his attorney.

As specific recommendations, we suggest the following.

- (1) A market research organization should be employed to make an objective survey, as indicated below, to determine the actual attitude of the people. This survey should be undertaken on a sampling basis, limited to buildings not managed by Realtor firms.
- (2) Since the problem of integration varies from community to community - we recommend that conferences be organized at the community level with local civic leaders to seek concrete action attuned to the community's needs.

SUGGESTED SURVEY LETTER

Dear Citizen:

We have been engaged by some of the leaders in industry and in the religious organizations of our community to conduct an opinion survey.

Many people believe that an integrated society is desirable and that all people could have the opportunity to live wherever their capacity to pay will allow. We want to know whether you would approve carrying out that idea in the building where you live. We ask you to carefully consider the questions on the enclosed postal card - to answer them - and mail it to us.

It is not necessary that you sign your name or identify yourself but the card has been coded to identify the building where you live. We would be most appreciative if you would give us a truthful answer.

Sincerely,  
A Market Research Agency

SUGGESTED SURVEY REPLY CARD

1. If a qualified Negro were to move into an apartment next to mine, I would:

- ☐ Stay here indefinitely.
- ☐ Move at next lease expiration.

2. If I had assurance that no more than 25% of the units in the building would be occupied by Negroes, I would:

- ☐ Feel more like staying on.
- ☐ Nevertheless plan to leave.

Superintendent of Police Joseph Barloga, Cicero, Illinois, on August 25, 1966, advised as follows:

The Cicero officials waived the required 30 days notice for a parade permit, and issued it allowing the CFM to utilize the entire street during their demonstration.

He indicated that General Francis P. Kane, National Guard Commander, would probably utilize 2500 National Guardsmen; the Illinois State Police would utilize 350 men; the Cook County Sheriff's Police would number 50 men; and the Cicero Police Department would provide 90 men.

The Cicero Police Department is to make all arrests after any detention by the National Guard, State or County Police, and in this connection one Cicero policeman would be in each squadrol of the Sheriff's Police.

Barloga said the National Guard would have its headquarters at the parking lot of the Western Electric Company, 4600 West Cermak Road. Communications would be coordinated at that headquarters with State, County, and Cicero Police radio bands, and there would be a coordinating unit also in the headquarters of the Cicero Police to serve as a central dispatching unit.

He also advised that for the past twelve days, all Cicero City officials, the Cicero Police Department, and clergy in the Cicero-Berwyn area have been urging citizens to remain at home during the march, and to give no undue attention to the marchers.

He noted that rumors persist concerning the accumulation of weapons such as guns and archery sets for possible use against demonstrators. Cicero Police Department investigations have not substantiated such rumors.

Reverend [redacted] Cicero-Stickney-Berwyn Human Relations Committee, on August 25, 1966, advised an Agent of the Chicago Office of the Federal Bureau of Investigation (FBI) there is a fantastic number of rumors relative to guns being possessed by residents of the area.

b6  
b7c

[redacted] Tax Collector, Cicero, according to [redacted] the [redacted] stated at a meeting of the Rotary Club on August 24, 1966, that rumors of people being armed are false.

The Chicago Office of the FBI on August 24, 1966, received a telephone call from an anonymous female who advised that she had received from what she termed a reliable source, a close friend, who advised that a committeeman from Cicero, Illinois, stated the Cicero Police Department is unofficially and secretly furnishing various confiscated and surplus guns to anyone desiring them. This woman refused to reveal her identity, the identity of her friend, or the committeeman making this statement.

Chief Deputy [redacted] DuPage County Sheriff's Office, Wheaton, Illinois, advised on August 25, 1966, that an official of the Illinois State Police had informed him that all archery equipment had been sold within the past week in sporting goods stores in Cicero and surrounding areas. Deputy [redacted] advised that this official said the Illinois State Police expect this equipment to be used against SCLC demonstrators, however, no organized group had been identified. He said it was learned that the archery equipment might be used since the weapon can be fired without sound, and it could be used in a crowd without detecting the person firing it.

Superintendent Barloga also advised that Cicero City officials sent a telegram to the American Nazi Party (ANP) in Chicago notifying the ANP it would not be allowed to hold a rally in Cicero, Illinois, on August 27, 1966, as ANP had requested.

With regard to the demonstration on August 25, 1966, in the Belmont-Cragin area, Lieutenant Council advised that approximately 110 demonstrators departed Hanson Park at 6:20 p.m. on August 25, 1966, and there were approximately 50 on-lookers and no difficulty was encountered.

Captain [redacted] 15th District, Chicago Police Department, advised on April 25, 1966, that the march in the Belmont-Cragin area was conducted as scheduled with no incidents or arrests. The marchers departed the area at 8:25 p.m. by auto to attend a rally in the Liberty Park Baptist Church. Approximately 300 officers of the Chicago Police Department were utilized for the demonstration. It was estimated that the total number of on-lookers during the march was 400 and the people were unusually quiet and there was no heckling nor counter demonstration signs.

[redacted] Chicago Commission on Human Relations, on August 25, 1966, advised that the rally by the CFM group at the Liberty Baptist Church began at 8:00 p.m. and concluded at 9:45 p.m. The attendance was approximately 2,000 persons. There were no incidents or arrests. The main speaker, Martin Luther King, urged all to continue the struggle for equal rights. Announcements were made of a rally to be held at the Stone Temple Baptist Church, Chicago, at 8:00 p.m., on August 26, 1966. The subject of the rally would be the reason for marching to Cicero and King was to be a speaker. At the August 25, 1966 rally the announcement was made that the march to Cicero, Illinois, on August 28, 1966, was to be conducted and the route of march was described. This line of march has previously been explained. It was announced that an additional realty firm would be a point for a prayer vigil and this was to be the Central Realty at 2212 South Central, Cicero, Illinois. It was also announced that the Cicero march would be led by King, Al Raby, Ralph Abernathy and Jessie Jackson.

Bowe advised no information available about a CFM march on August 26, 1966, but the possibility exists that the CFM may violate the current injunction by staging an unscheduled march in the evening of August 26, 1966, in the event the results on meeting between CFM and city leaders on that date are unsatisfactory to CFM.

Detective [redacted] Chicago Police Department, advised on August 25, 1966, that [redacted] Oakland Committee for Community Improvement, (OCCI), was to have appeared at 11:00 a.m., on that date before Judge Cornelius Harrington in connection with an infringement by [redacted] upon the temporary injunction restraining him and his organization to a degree in demonstrations and [redacted] did not appear. An appearance was made for him by his attorneys Frank Anglin, Jr. and Jean Williams, at 11:00 a.m., and they requested a three-week continuance. The request was denied and Judge Harrington ordered [redacted] to appear at 2:00 p.m. on August 25, 1966; before him. At 2:00 p.m., [redacted] appeared, at which time Judge Harrington continued the matter until 11:00 a.m., August 26, 1966, at which time he may take contempt action against [redacted]

b6  
b7C

On August 26, 1966, Reverend [ ] Director, Commission on Religion and Race, Presbytery of Chicago, advised a representative of the Federal Bureau of Investigation that he feels efforts put forth by the participants in the conference between Mayor Richard Daley and Martin Luther King were in good faith. Reverend [ ] stated that the agreement calls for a strong continuing program to implement the points agreed upon and the program is to be broadly based with the city represented by various agency heads and the CFM to be represented by their 18 top leaders. Reverend [ ] stated he believes the program is workable on a rank and file level and acceptable on that basis.

b6  
b7C

On August 26, 1966, a representative of Deputy Superintendent [ ] Office, Chicago Police Department, Chicago, Illinois, advised a representative of the Federal Bureau of Investigation that a representative of the West Side Organization for Full Employment for Negroes (WSO), 1537 West Roosevelt Road, Chicago, had contacted local law enforcement agencies and the press and news media in the Chicago area shortly before 7:00 p.m. on August 26, 1966, advising that [ ] of the WSO is to announce on the evening of August 26, 1966, that the WSO and other unidentified organizations are to conduct a march to Cicero, Illinois, on August 28, 1966.

b6  
b7C

On August 26, 1966, Sergeant [ ] Intelligence Unit, Chicago Police Department, advised a representative of the Federal Bureau of Investigation in Chicago that as of 8:30 p.m. on August 26, 1966, the WSO meeting scheduled for August 26, 1966, is still in progress. Sergeant [ ] stated that if a march to Cicero results from this meeting he and other members of the Chicago Police Department anticipate the participants would be few.

On August 26, 1966, Superintendent Joseph Barloga, Cicero Police Department, Cicero, Illinois, advised that the parade permit previously issued for the CFM for their August 28, 1966, march to Cicero, Illinois, was considered cancelled in view of the CFM's announcement on August 26, 1966. Superintendent Barloga stated that any demonstrators attempting to enter Cicero, Illinois, on August 28, 1966, would be arrested in view of the cancellation.

On August 26, 1966, Reverend [ ] Director, Commission on Religion and Race, Presbytery of Chicago, was recontacted and advised a representative of the Federal Bureau of Investigation in Chicago that he expressed concern over the "Ad Hoc" venture of the WSO in planning a march into Cicero, Illinois, on August 28, 1966. b6  
b7C

On August 26, 1966, Dr. [ ] Executive Director, Church Federation of Chicago, advised a representative of the Federal Bureau of Investigation in Chicago that he would agree with the sentiments expressed by Reverend [ ] and also expressed concern over the announced plans of the WSO to march into Cicero, Illinois, on August 28, 1966.

The Office of Deputy Superintendent [ ] advised that [ ] has not identified the organizations which will reportedly participate in the announced march to Cicero, Illinois, on August 28, 1966. The Office of Deputy Superintendent [ ] advised that officials of the Chicago Police Department speculate the reason [ ] has not identified the organizations is because he has not as yet received commitments.

b6  
b7C

On August 26, 1966, local Chicago news media in regard to the CFM meeting held at 3622 West Douglas on the evening of August 26, 1966, indicate [ ] of SCLC denounced the announced plans of the WSO to lead the Cicero march. The news media also reported Al Raby of SCLC as saying "I don't know why, but Robinson has reasons of his own. I will not march." The news media also reported Martin Luther King as saying that the marchers would go with his blessing, pointing out that the agreement between Chicago Mayor Daley and the CFM does not include Cicero.

b6  
b7C

Also on August 26, 1966, local Chicago radio station WNUS carried an interview of [redacted] in which he stated the agreement between the city of Chicago and the CFM sold out poor people and was not representative of the Negro ghetto. Consequently, [redacted] is to lead the August 28th Cicero march "come hell or high water."

b6

b7C

On August 26, 1966, the Intelligence Unit of the Chicago Police Department advised the Chicago Office of the Federal Bureau of Investigation that the west side meeting held on August 26, 1966, involved three to four persons, identities unknown, and concluded at 11:30 p.m. on August 26, 1966. The Intelligence Unit indicated that no additional information was developed; however, [redacted] indicated to local news media that announcements regarding the plans of the WSO would be made at approximately 12:00 Noon on August 27, 1966.

On August 27, 1966, CG T-2 advised that the United Klans of America, Incorporated, Knights of the Ku Klux Klan, are trying to organize four or five Klan members to walk in the vicinity of the intersection of Wilson and Broadway Streets, Chicago, on August 27, 1966, wearing robes, for the purpose of showing that the United Klans of America, Incorporated, is still around.

The above information was furnished to the following individuals on August 27, 1966:

Sergeant [redacted]  
Intelligence Unit  
Chicago Police Department

b6

b7C

Officer [redacted]  
Deputy Superintendent's Office  
Chicago Police Department

On August 27, 1966, Captain [redacted] Watch Commander, 20th District, Chicago Police Department, Chicago, Illinois, advised that Chicago Police Department units had been assigned near the intersection of Wilson and Broadway Streets, Chicago, throughout the day of August 27, 1966. On August 27, 1966, Officer [ ] Deputy Superintendent's Office, Chicago Police Department, advised a representative of the Federal Bureau of Investigation in Chicago that the WSO meeting scheduled for 12:00 Noon was still in progress as of 2:00 p.m. on August 27, 1966; and that definite information in regard to the proposed march to Cicero on August 28, 1966, by the WSO would not be available until approximately 4:00 p.m., August 27, 1966. b6  
b7C

On August 27, 1966, the Office of Illinois Governor Otto C. Kerner advised a representative of the Federal Bureau of Investigation in Springfield that two telegrams had been received at Governor Kerner's office on the afternoon of August 27, 1966, requesting a call-up of the Illinois National Guard on August 28, 1966. The Office of Illinois Governor Kerner indicated that one telegram was from Cook County, Illinois, Sheriff Richard B. Ogilvie and that the other one was from Christy Berkos, City Attorney, Cicero, Illinois.

On August 27, 1966, Chief of Police Arthur Bilek, Cook County Sheriff's Police, Cook County, Illinois, advised that at approximately 2:30 p.m. on August 26, 1966, [ ] a male Negro representing the WSO, and [ ] a male Negro representing the Deacons for Defense and Justice, appeared at the Cicero, Illinois, Police Department and requested from Watch Commander Captain [ ] Cicero, Illinois, Police Department, a permit to march on Sunday, August 28, 1966, in Cicero. Chief of Police Bilek stated that Captain [ ] advised these individuals that the permit would be denied because a Cicero, Illinois, city ordinance requires 30 days notice prior to the date of a march and a written itinerary of the proposed route of march. Chief of Police Bilek stated that [ ] argued with [ ] that a permit was issued for the SCLC under special conditions and that they should have the same privilege. Chief of Police Bilek stated that Captain [ ] advised these individuals that the permit issued for the SCLC march was issued as a result of a conference with Illinois Governor Kerner, and he further advised them that the application for a proposed march to Cicero, Illinois, on August 28, 1966, by WSO was denied. Chief of Police Bilek stated that [ ] advised Captain

## \$200 Fine For White Supremacist

The Rev. Charles (Connie) Lynch, 53, avowed white supremacist and organizer for the States Rights Party, has been fined \$200 for speaking without a permit at a tumultuous anti-Negro rally in Marquette Park.

Lynch, of San Bernardino, Calif., said he would appeal the fine levied Tuesday in Jury Court by Judge James Sullivan.

Lynch was arrested Aug. 21 with Evan Lewis, Akron (Ohio) member of the Ku Klux Klan, at a rally. George Lincoln Rockwell aroused 2,000 whites into such a frenzy at the rally that Lynch and Lewis were not allowed to speak. They tried anyway, and were arrested.

Lynch is under indictment for inciting a riot in Baltimore in July.

RE: DEMONSTRATIONS BY CHICAGO FREEDOM  
MOVEMENT (CFM) - SOUTHERN  
CHRISTIAN LEADERSHIP CONFERENCE (SCLC),  
GAGE PARK AREA, CHICAGO, ILLINOIS

in Belmont -- Cragin the previous evening, a four-page flyer had been distributed to white residents by representatives of the American Nazi Party (ANP). The flyer was headlined, in part, "WHITE MEN ORGANIZE WHITE GUARD", "WHITES MUST FIGHT", and the like. This literature also advised about courses in "Anti-Insurrection Warfare" and contained a mailing coupon for persons desiring to "fight the black men".

A characterization of the ANP is attached to this memorandum.

On August 4, 1966, Sgt. [redacted], Human Relations Section, Chicago Police Department, made available a copy of the flyer captioned "WHITE MEN ORGANIZE WHITE GUARD...CALL TO ARMS FROM GEORGE LINCOLN ROCKWELL" which was distributed by representatives of the ANP on August 3, 1966, in the Belmont - Cragin area of Chicago. A copy of this flyer is attached to this memorandum.

b6  
b7C

In connection with ANP activities in this matter, Sgt. [redacted] advised on August 4, 1966, that information has been developed by the Chicago Police Department that the head of the local Chicago ANP group, on orders of Commander George Lincoln Rockwell, ANP, will organize a counterpicket in the Gage Park area if SCLC marchers appear there over the coming weekend. Rockwell was in the Chicago area over the weekend of July 29 - 30, 1966.

On August 3, 1966, a confidential source, a representative of another Government agency, advised as follows:

He has occasional contact with SCLC personnel in Chicago. He learned on August 3, 1966, that on either August 1, or August 2, 1966, the SCLC in Chicago had been contacted by an individual identifying himself as [redacted]

[redacted] Chicago. [redacted] had claimed to be chairman of a chapter of the Students for a Democratic Society (SDS) in Chicago, who had joined the National States Rights Party (NSRP) in a covert manner for the purpose of following NSRP activities and is currently active in that organization. He is avoiding SDS activity to protect his NSRP membership.

[ ] had advised SCLC personnel that the NSRP has been active in the Gage Park area of Chicago since the first of the year, attempting to establish a NSRP unit there. Since violence occurred over the past weekend during a civil rights march there, residents of the Gage Park area have been flocking to join NSRP. [ ] alleged that NSRP representatives have been trying to get Gage Park citizens to arm themselves and are soliciting orders for hand guns. Gun orders reportedly are then placed by the NSRP with the Blue Island Gun Shop in Blue Island, Illinois. These orders then being filled by mail. Such gun orders, according to [ ] have increased during the past week.

[ ] also had stated that information is circulating in the Gage Park area that SCLC demonstrators will return to Gage Park over the coming weekend with Doctor Martin Luther King leading the marchers. Reportedly NSRP plans call for a violent reception for these marchers and the NSRP would consider it significant if "they got King."

In connection with [ ] above, it might be noted that the May 23, 1966, edition of the "Chicago's American", a daily Chicago newspaper, reflected that 25 persons had been arrested during a sit-in at Roosevelt University in Chicago. The sit-in was in protest of an expanded draft in the armed forces. The article identified one Philip Breneman, age 21, address 2133 Larrabee Street, as chairman of a north side chapter of SDS. SDS was involved in the sponsorship of this sit-in, however, [ ] was not one of those individuals arrested.

A characterization of the NSRP is attached to this memorandum.

On August 3, 1966, [ ]

[ ] Blue Island, Illinois, advised Special Agents of the FBI as follows:

b6  
b7C

His gun shop has made no excessive sales of hand guns, hunting weapons, or ammunition to any one individual or organization during the past few weeks or months. Guns of various caliber have

RE: DEMONSTRATIONS BY CHICAGO FREEDOM  
MOVEMENT (CFM) - SOUTHERN  
CHRISTIAN LEADERSHIP CONFERENCE (SCLC),  
GAGE PARK AREA, CHICAGO, ILLINOIS

been purchased on a one or two gun basis but have not gone to any particular area of Chicago or to any particular Cook County, Illinois, community.

[ ] advised that during the racial disturbances which took place in Chicago in mid-July, 1966, gun sales did increase for a few days, but then subsequently returned to normal. Sales were made to both Negroes and caucasians with most of the sales to police officers and to persons bearing responsible identification.

[ ] continued that gun orders are not filled by mail and that if a person or his identification is questionable, no sale is made or he is required to obtain a police permit and then the gun is sold and shipped by United Parcel to that individual at the address given. Records are kept on all gun sales. [ ] advised that any undue increase in the sales of hand guns, or any suspicious request for firearms made to his company will be promptly reported to the FBI and appropriate local authorities.

b6  
b7C

On August 4, 1966, [ ] Vice Chairman, Chicago branch, NSRP, was interviewed by Special Agents of the FBI. [ ] advised that the NSRP in Chicago is not attempting to have citizens arm themselves although several NSRP members have personal weapons of their own for personal use and protection. He denied that the NSRP has purchased any guns from any gun shop in Blue Island, Illinois, and stated that the NSRP plans no organized activities in the Gage Park area, although it is possible that individuals and NSRP members or sympathizers may distribute NSRP literature whenever civil rights groups have demonstrations. He added that literature is sent to many persons in Chicago by the NSRP, which literature may subsequently be distributed at such demonstrations. He advised that the NSRP has no plans to "get Martin Luther King" because it is obvious that if King was eliminated from leadership of the civil rights movement, he would only be replaced by someone else. He said the NSRP feels that riots and disturbances, which have taken place in Chicago

and elsewhere are being caused by Negroes. Such incidents must be stopped by having white people unite to have the whites protected and to have Negro agitators prosecuted.

b6  
b7C

On August 4, 1966, [redacted] who claimed leadership of the North side Chapter, SDS, 1637 North Vine Street, Chicago, was contacted by Special Agents of the FBI. Breneman advised that he had attended one NSRP meeting at the NSRP office, 2237 North Western Avenue, Chicago, and at this meeting he had learned that the NSRP has a source in "King's group" in Chicago to keep track of their activities. This NSRP contact provides the NSRP with foreknowledge of the plans of King's group for demonstrations, the NSRP then precedes the SCLC into the area where they proceed to distribute their literature prior to and during marches. He stated during this interview that he had learned through his contact with the NSRP that NSRP members were believed to be purchasing weapons at the [redacted] in Blue Island, Illinois, for personal protection. [redacted] denied knowledge of mention made at any NSRP meeting of use of force by the NSRP against King or any other SCLC members of civil rights leaders.

[redacted] stated he has participated in SCLC marches but none in Gage Park. It was his understanding the NSRP was active in distributing leaflets in Gage Park and in soliciting new members there, capitalizing on extreme tension in the area. He denied knowledge of NSRP attempts to incite Gage Park residents to resist future marches with arms or violence. He continued that he attended NSRP meetings to determine their activities as he considers the NSRP a threat to the SDS, to civil rights groups, and other unnamed organizations. He stated he intended to furnish the above information in substance to the SCLC in Chicago, but stated that he had not made any contact with the SCLC to date. He stated he had attended no other NSRP meetings as he feared detection as an SDS member.

# WHITE MEN ORGANIZE WHITE GUARD

**...A CALL TO ARMS FROM  
GEORGE LINCOLN ROCKWELL**

STORY INSIDE!

their giant march on Washington three years ago, my boys and I were the ONLY ones out there to oppose them. And when they come swarming into White areas, bent on raping, murdering, looting, and overwhelming our brave police forces, my boys and I will fight them to the death to protect our people.

### LET'S GET ORGANIZED!

But in order to accomplish anything--in order to provide any really effective protection for our White people, I need YOUR help. We need an armed force of thousands of citizens who can and will fight, if police are overwhelmed.

I am NOT asking you to become "Nazis", or to join my party. I realize that most folks don't yet understand that Adolf Hitler stood for the Whites as a "master race" and had to fight the same thing we now have here. I think things will get a lot worse in America before most people begin to understand the deadly menace about which I have been warning for years now.

I am NOT asking you to do anything which is illegal. American citizens are still allowed to keep and bear arms to defend their lives, their families, and their property with those arms. Thank God!

### WE'LL TRAIN YOU!

I am simply asking every decent, red-blooded American I can find to stand and fight for his own neighborhood when the police can't do it, as has happened in Los Angeles, Cleveland, Chicago, etc. If we are to be able to put up an effective fight against the Communist-inspired, rampaging black scum, we must prepare for the fight now. We must have a strong, trained organization with fearless, effective leadership. I know how to provide that leadership, if you are willing to make a stand with me. I served my country as a Navy fighter pilot for more than 19 years, in two wars, rising to the rank of full Commander. Since then, I have fought with my boys in the streets and gutters and jails against the scum that are trying to take over America. I have

learned a few things in that fight. I know that with your help, we can give those African savages a red hot reception when they come into our White neighborhoods to "get Whitey".

### WILL YOU FIGHT?

Here is my proposal to you, White Man!

In a few days, the men who gave you this sheet will be back to see you again. If you are willing to stand up and fight with us when the time comes, they will ask for your telephone number. We have training camps and we will take groups of men there for combat training. We will give you a brief course in anti-insurrection warfare; so that you'll know what to do when the time comes. We have neither time nor facilities for more than that now, and we realize that you can't take time off your jobs.

After that, we expect you to be immediately available, with your own weapons and ammunition at home when we call on you to stand against the black rioters, with organized force, when the police are overwhelmed.

We are forming a special, mobile squad of motorcycle guards which can be sent to protect areas of especial black hell until the police or troops can get there. If you have a good "bike" and want to join this elite corps of the White Guard, you'll get special training.

If there are enough of you who are not afraid to do what I am asking you--enough of you who still have the guts our forefathers had when they whipped the Indians--those black animals will be piled up like cord wood if they attack US.

If, for any reason, you can't stand with us, then at least support us, White Man! A contribution to pay for the weapons and ammunition that others will use will be a big help.

If you are willing to fight, fill out the coupon now! Then either mail it to Box 5505, Arlington, Virginia, or hand it to our men when they come back.

COMMANDER ROCKWELL BOX 5505 ARLINGTON VA. JE 4-3476

YES, I'LL FIGHT! IF THE BLACKS ATTACK OUR AREA AND OVERWHELM OUR POLICE, I'LL FIGHT. I UNDERSTAND THAT MY NAME WILL NOT BE USED OR EXPOSED IN ANY WAY, AND I ALSO UNDERSTAND THAT THIS IN NO WAY MEANS THAT I NECESSARILY AGREE WITH YOU OR AM A MEMBER OF YOUR ORGANIZATION.

Within the past month, CORE and SNCC have openly announced that they are giving up "non-violence" and are going after "BLACK POWER"! And to get "black power", they've got to destroy "White power"--and that's YOU!

"KILL WHITEY!" THEY HOWL

The black savages make no bones about their hatred of ALL Whites, and their aim to KILL us. Their battle cry is "GET WHITEY!" In Los Angeles, Chicago, Cleveland, Harlem--wherever these vicious black animals have attacked, they have made no distinction between White "liberals" and White "hate-mongers" or "racists". In Los Angeles, for instance, they seized an old man preaching "love", and beat his eyeballs out of their sockets until they were hanging by the nerves. "GET WHITEY!" they howl--and they WILL--unless you prepare to defend yourself.

## WHITE AREAS TO BE ATTACKED

Now they're openly planning to send carloads of heavily armed blacks roaring into White areas to burn, loot, beat, rape and "KILL WHITEY!"

They have learned what they need to know and they are almost ready now for the real revolution--for the day when they will come swarming by the thousands into White neighborhoods, raping, burning, killing--spreading death, destruction and terror. They have already found out that they can actually over-

whelm the police forces in any of our cities, as in Los Angeles, Chicago and Cleveland. In every case where they have finally been stopped so far, tens of thousands of heavily armed military troops had to be rushed in.

White Man, what will happen when the black revolution breaks out, not in one spot, but in a hundred places at the same time, so that troops cannot even begin to be sent to all those places at once?

## WHAT WILL YOU DO?

When hundreds of carloads of armed, bloodthirsty, black savages come roaring into YOUR neighborhood while the police are all tied up fighting thousands of them all over the area, just what will YOU do?

## NO POLICE PROTECTION!

If it happened tomorrow, you would be isolated, with no place to turn for help. Phoning the police will do you no good--they'll already have hundreds of calls they can't answer. One of the things their leaders have been teaching the black-terrorists is how to put local police and fire departments out of action. While the black males are out on the streets burning and looting, shooting cops and firemen, hundreds of blackwomen are at their telephones, keeping all lines into the police department tied up and constantly sending fire trucks off on false alarms. This tactic worked a black miracle in Chicago and Cleveland, and it'll deny you police protection here!

Do you think I'm imagining things? Every day, Communist agitators in Cuba broadcast instructions to the blacks over here, on "Radio Free Dixie", telling them how to immobilize police cars, and American cops, how to sabotage power plants, how to poison reservoirs, how to make Molotov cocktails. They are told in complete detail how most effectively to spread terror among the White population by

← THIS IS THE SYMBOL OF THESE SAVAGE AFRICANS AS THEY HOWL "BLACK POWER"! CAN YOU DOUBT WHAT THEY MEAN BY THIS "BLACK PANTHER"!?

# POWER COPS! FIGHT!

raping and killing. Just last night, on television, I saw an interview with a grinning black ape in Cleveland who proudly boasted that he ran a "fire-bombing school", teaching his colored brothers how to make gasoline bombs. And a dozen times, on television and in national magazines--Look and Life, for example--you've all heard them threatening, "This is just the beginning, baby!" When they howl, "We're gonna get you, Whitey!" they mean it.

## POLITICIANS WON'T PROTECT YOU!

Perhaps you think the politicians in Washington will put a stop to the black revolution before it gets out of hand--before it affects YOU or your family. Thousands of White men in other cities, where it has already gotten out of hand, thought the same thing. They know better today, as they survey the blackened ruins of their stores, their homes, their cars. Many of them, who were unable to protect their wives or daughters from the rampaging blacks, will never be able to look their womenfolk in the face again.

## WE'VE BEEN SOLD OUT BY POLITICIANS!

The truth of the matter is, that you have been sold out by politicians--sold out for the black bloc vote. As long as White men split their votes--and their power--voting "Democrat" or "Republican" and the blacks sell their votes as a solid bloc to the highest bidder; greedy, treacherous, politicians will never do anything to stop the black terror.

So, what will you do when it happens HERE, White Man? What will you do to protect YOUR home and family when the black mobs come pouring into YOUR neighborhood? Maybe you plan on "getting" a couple of them with your rifle, before they get you. That won't help your widow or kids much, or your White neighbors.

There is just one thing you can do, if you hope to provide realistic, effective protection for your home, your family, and your community, if police are overwhelmed.

## LET'S FIGHT!

You must organize! Now! To FIGHT--as our granddaddies fought--in self-defense!

# Burn, Baby, Burn!

I know, from talking to thousands of my fellow White men around the country, that most of you are sick and disgusted with what is happening in America today. You are fed up and you want to do something about it, but you have no place to turn. I have had the same experience. When I called for help to stop the traitors marching around our White House with Viet Cong enemy flags--when I sought the aid of "patriotic" groups--The American Legion, the John Birch Society, and others--they all refused to help. They were terrified by the knowledge that if they took a strong stand against the scum, they would be blasted in the newspapers as "bigots" and as "hate mongers". So I had to attack alone. I went over to the White House and personally tore down their Viet Cong commie flag with my own hands. We've torn these Red rags down all over America. No one else in America has done that. When the blacks organized

On August 4, 1966, [REDACTED] was interviewed at the headquarters of the Chicago Branch, National States Rights Party (NSRP), 2237 North Western Avenue, Chicago, by SAs JOHN P. O'BRIEN and LELAND G. RICHIE at which time [REDACTED] advised as follows:

The NSRP in Chicago is not attempting to have citizens arm themselves, although several NSRP members have personal weapons for their own personal use and personal protection. The NSRP has not purchased any guns from any gun shop in Blue Island, Illinois. The NSRP plans no organized activity in the Gage Park area in Chicago, although it is possible and probable that individual NSRP members or sympathizers with the policies of the NSRP may distribute NSRP literature whenever civil rights groups have demonstrations. The NSRP sends literature to many persons on their mailing list in Chicago and this literature may be distributed by these individuals at demonstrations. He added that the NSRP in Chicago has no plan to "get MARTIN LUTHER KING" because if KING was eliminated, he would only be replaced by someone else.

[REDACTED] stated he knew no one by the name of LOUIS [REDACTED] who was associated with the NSRP.

[REDACTED] said the NSRP maintains that riots being caused by Negroes must be stopped and this lawlessness must be stopped by having white people unite to have their rights protected and to have Negro agitators prosecuted whenever they violate laws.

Reference is made to Chicago communication dated  
August 12, 1966.

An article appearing in the Chicago "Sun-Times", a  
Chicago daily newspaper, dated August 13, 1966, stated that the  
Chicago Conference on Religion and Race (CCRR) invited  
organizations concerned with integration problems to a meeting  
to be held August 17, 1966. The meeting was set for that date  
so that Dr. Martin Luther King, Jr., head of the SCLC, who is  
currently out of Chicago, might attend, since it is believed  
he will be in Chicago at that time. Among the organizations  
invited are the Co-ordinating Council of Community Organizations  
(CCCCO) which is headed by Al Raby; the Chicago Mortgage Bankers  
Association; the Chicago Savings and Loan Association; the  
Chicago Association of Commerce and Industry; the Commercial  
Club; the Metropolitan Housing and Planning Council; and the  
Chicago Federation of Labor - Industrial Union Council.

The article pointed out that no leader of the CCRR  
would comment on the civil rights march in the Bogan area  
which occurred on August 12, 1966, the details of which are  
set forth below.

With regard to the demonstration to be held in the Bogan area on August 12, 1966, Chief of Patrol [redacted] Chicago, Police Department, advised on August 12, 1966, that the Police Department had 500 police officers committed to this demonstration with an additional 500 to 700 officers available if the situation required additional help.

b6  
b7C

Officer [redacted] Deputy Superintendent, Conlisk's Office, Chicago, Police Department, advised on August 12, 1966, that the Police Department Communications Center, had received an anonymous phone call on this date to the effect that the Bogan area residents are armed and not afraid to use such arms.

CG T-1, who has furnished reliable information in the past, advised on August 12, 1966, that the plans of the march and demonstration today are changed and are as follows:

Following an assembly by the demonstrators at Mt. Hope Baptist Church, the group will proceed in 125 automobiles south on Princeton Avenue to 63rd Street, then west on 63rd Street to Pulaski Road, south on Pulaski Road to the Ford City Shopping Plaza, which is located at 77th and Pulaski. They will park the cars at this point, re-assemble, then march on foot south on the west side of Pulaski Road to 85th Place, cross to the east side of Pulaski, and march north on Pulaski to 79th Street. They will then cross back to the west side of Pulaski Road, continuing north to Ford City. During this march they will stop at the Katschke Realty Company, 8359 South Pulaski, the Reynolds Realty Company, 8461 South Pulaski and Egan Realty Company, 8514 South Pulaski and hold a short prayer vigil.

b6  
b7C

At 4:45 PM, they proceeded on foot south on Pulaski to the intersection of 79th and Pulaski Road where approximately 2,000 white people, mostly teenagers, awaited the demonstrators. Officer [ ] stated that the Police Department was receiving reports of cars being stoned at 71st and Pulaski and it was believed that white youths were indiscriminately stoning cars occupied by Negroes at this address and that the demonstrators' cars were not involved. He stated that there were approximately 750 policemen at the scene and that Canine Units had been assigned to guard the demonstrators' cars which had been left at the Ford City Plaza.

b6  
b7C

Officer [ ] Deputy Superintendent, Conlisk's Office, Chicago Police Department, reported that as of 5:15 PM, the demonstrators were proceeding through the intersection at 79th and Pulaski, and that the counter demonstrators and on-lookers were comparatively quiet and peaceful. He stated there were several incidents of throwing rocks at demonstrators, however, there were no arrests or injuries known at this time. He stated that the on-lookers were displaying signs calling for white power and also waving Confederate flags. He stated that as of 5:20 PM, the demonstrators were proceeding south on Pulaski en route to 85th and Pulaski. The traffic on Pulaski Road was backed up approximately two miles and creating a rather serious traffic problem. He said it was now being re-routed by the Chicago Police Department.

b6  
b7C

The marchers continued on their route as previously indicated and held brief prayer vigils at the above identified realty companies. At 5:55 PM, according to Officer [ ], the marchers were en route back to Ford City. Four arrests had been reported at this time, all being white counter-demonstrators, one of whom was allegedly in possession of a shotgun.

[ ] said the crowd had been estimated at approximately 5,000 people in the area.

Officer [ ] also reported that as the marchers returned to Ford City parking lot, two to three hundred teenage counter-demonstrators staged a sit-down at 82nd Place and Pulaski Road, blocking all traffic. The police officers moved in and removed this group, however, 400 counter-demonstrators regrouped at 82nd Street and Pulaski Road. This group was likewise dispersed by the Police Department without incident and subsequently at 81st and Pulaski Road, 500 counter-demonstrators staged a similar sit-down. Extra police units of the Chicago Task Force were then sent in to disperse this group.

b6  
b7C

[ ] reported several arrests were made at this time. At 7:10 p.m., Officer [ ] stated that the demonstrators were leaving the Ford City parking area en route to their point of origin. About 300 white teenagers attempted to block the exit from Ford City and a few arrests were made at this time.

[ ] reported no other incidents.

Commander [ ] Task Force Unit, Chicago Police Department, advised at 10:15 p.m., August 12, 1966, that a short rally was held at the Mt. Hope Baptist Church, following the demonstration and the Reverend [ ] of the SCLC advised that this group would meet at 9:00 a.m., August 13, 1966, to form demonstrations to picket an unknown number of A & P Grocery Stores in Negro ghetto areas because the A & P refused to boycott the Pepsi Cola Company which allegedly discriminates against Negroes. He also announced that three simultaneous prayer vigils would be held Sunday, August 14, 1966, at the Bogan, Gage Park, and Belmont-Cragin areas and that volunteers should meet at 2:00 p.m., August 14, 1966, at the Greater Mt. An article appearing in the "Chicago Daily News," a Chicago daily newspaper, August 13, 1966, stated that leaders of the CFM and SCLC met August 13, 1966, to plan the strategy for demonstrations on August 14, 1966. The Reverend James Bevel of the SCLC stated that they were going to intensify demonstrations until they reached the day when there is not one but three armies in the field. He stated they needed many people because they want to go to three or four different places on August 14, 1966.

Officer [ ] Deputy Superintendent [ ]'s Office, Chicago Police Department, advised on August 14, 1966, that the plans of the CFM and the SCLC are now that the demonstrations will take place in three areas rather than four. These areas are identified as the Gage Park area, Bogan area, and Jefferson Park area, the latter being on Chicago's Northwest Side and north and west of the Belmont-Cragin area which was the site of previous demonstrations.

b6  
b7C

Jefferson Park Area

An article in the August 15, 1966, edition of the "Chicago Sun Times," a Chicago daily newspaper, stated that some 350 marchers attended by 300 policemen and harassed by a crowd of 700 whites demonstrated in captioned area. The demonstrators stopped briefly at the Anton J. Schmid and Company real estate firm, 6071 North Milwaukee Avenue, the Michael Heiser Real Estate Company, 5479 North Milwaukee Avenue, and at Moreland and Son Real Estate Company, 5717 North Milwaukee Avenue, Chicago. The Reverend James Bevel, an aide to Dr. Martin Luther King, Jr., headed this demonstration and there were few incidents other than jeering by whites. The article continued that after the demonstration, Representative Roman C. Pucinski (Democrat, Illinois), whose district encompasses this area, commented that the "outsiders are causing most of the trouble in these neighborhoods."

Officer [ ] advised on August 14, 1966, that at 3:40 p.m., 150 demonstrators departed the Mt. Hope Baptist Church and proceeded north on the Dan Ryan and Kennedy Expressways to Milwaukee Avenue via Central Avenue where they would hold demonstrations and prayer vigils at the Lincoln Square Realty Company, 5350 North Milwaukee Avenue, the Heiser Realty Company, 5479 North Milwaukee Avenue, with the possibility of visits to other realty firms in the 7000 and 7600 blocks of North Milwaukee Avenue. Subsequently, Officer [ ] stated that the Jefferson Park demonstration totaled 350 people. At 5:40 p.m., Officer [ ] stated that the demonstrators were

assembling for the march at the National Tea Company parking lot, 5300 North Milwaukee Avenue. He stated that approximately 1,000 neighborhood whites had gathered and all police reserves available to the 16th District had been called to the scene.

At 8:30 p.m., Officer [ ] advised that the demonstration in this area had terminated. He stated that the white onlookers reached an estimate of approximately 2000 to 3000 people and there were no major incidents during the demonstration. However, one demonstrator's car at the National Tea Company parking lot was slightly damaged by fire, the origin of which was unknown. There were five arrests made in the 16th District, all the arrestees being counter-demonstrators. Four of these were arrested for disorderly conduct and one for resisting arrest. These Negroes were not injured but the car was damaged prior to the arrival of police officers. No arrests were made as the white youths fled before the officers arrived.

b6  
b7C

Bogan Area

An article appearing in the "Chicago Sun Times," dated August 15, 1966, stated that a jeering, missile-throwing crowd of 2,000 whites tormented some 310 civil rights demonstrators guarded by 400 policemen in a march through this area on August 14, 1966. Prayer vigils were held in front of the I.B.C. Real Estate Company, 2455 West 79th Street, and the Thomas E. LaDuke Real Estate Company, 2621 West 79th Street, because of the alleged refusal of these companies to handle rentals or sales of homes to Negroes. The article said the taunting crowds threw rocks, bottles, and cherry bomb firecrackers at the demonstrators and carried signs reading, "Keep Bogan Clean," "Keep Out Black Trash," and "White Power." They shouted racial epithets, singing anti-Negro songs, and chanted "2, 4, 6, 8, we don't want to integrate."

Officer [ ] advised on August 14, 1966, that the Bogan marchers would depart the Mt. Hope Baptist Church at 3:30 p.m. and motorcade north to 59th Street, west to Pulaski Road, then south on Pulaski Road, to the Ford City parking lot at 77th Street and Pulaski Road. The marchers would assemble at this point and march on foot south on Pulaski Road to 85th Street where they would hold brief prayer vigils at the offices of three realty companies, the Egan Realty Company, the Reynolds Realty Company, and the Katschke Realty Company, all located between 83rd and 85th Streets on Pulaski Road. Thereafter, they would return to the Ford City parking lot via Pulaski and 79th Street, reenter their automobiles and motorcade west to Cicero Avenue, then go north on Cicero to 59th Street, then east on 59th Street back to the point of origin, the Mt. Hope Baptist Church.

Subsequently, Officer [ ] reported that the Bogan marchers were not allowed to utilize the parking facilities of the Ford City Shopping Plaza and consequently the motorcade would proceed at approximately 4:30 p.m. to the vicinity of 83rd and Western Avenue where parking facilities were made available. He also stated that a new plan by captioned groups indicated they would march from 83rd and Western Avenue to the I.B.C. Realty, 2455 West 79th Street, and to the LaDuke Realty Company, 2621 West 79th Street. Thereafter, they would return to their automobiles and proceed to their point of origin. He stated this march would be led by Reverend Jesse Jackson of SCLC.

b6  
b7C

At 4:30 p.m., [ ] advised that there were between 500 and 600 demonstrators in the Bogan march and reports had been received that rocks and eggs had been thrown at the demonstrators at their assembling point, 83rd and Western Avenue. [ ] subsequently advised on August 14, 1966, that this group made an apparent spur-of-the-moment decision and instead of returning from their vigil at the real estate firms to their automobiles, they marched west to St. Louis Avenue on 79th Street, south on 82nd Street, and then returned east to their parking area. Their march was concluded as of 9:00 p.m., August 14, 1966.

b6  
b7C

During this march, one police officer, escorting the marchers, was struck by a thrown brick at 79th and Western and suffered a possible broken collarbone.

Since the Bogan area and the Gage Park area are in the 8th District, Chicago Police Department, a list of arrestees will be set forth at the end of the information regarding the Gage Park area disturbance.

Subsequently, on August 14, 1966, Sergeant [ ] Intelligence Unit, Chicago Police Department, advised that a report had been received by the Chicago Police Department from [ ] owner of the [ ] previously mentioned, in which she stated that she had received a total of seven telephone calls inquiring

An article appearing in the "Chicago Sun Times," dated August 15, 1966, stated that about 500 demonstrators were led by Albert Raby, CCCO, and the Reverend Andrew J. Young, SCLC. These marchers had a short prayer vigil at the Pech-Suski Realty Company, 2816 West 55th Street, and at the Soltes Realty and Insurance Company, 5434 South Kedzie. This article reported that more than 1,000 whites assembled, some waving signs and chanting, "White Power, White Power." At least four Negroes, including a seven-year-old girl, were injured when bricks, bottles, and other missiles struck cars in which they rode. Mrs. Grace Pruitt, 16225 South Wood Street, suffered a fractured jaw at 67th and Kedzie as she drove with her two children. She was reported in satisfactory condition at Holy Cross Hospital. The children were not injured. Treated and released from Holy Cross was Elaine Robinson, age 7, 1967 South Trumbull, who suffered facial bruises as flying objects hit the car her mother was driving pass 67th and California. Patricia Bruce, age 28, 7032 South Clyde, suffered back injuries and Karey Hollingsworth, age 34, of 7417 West 64th Street, Argo, suffered head cuts and a wrist injury when bottles and bricks were hurled at the car Hollingsworth was driving, pass 67th and Troy. Both were treated and released from Holy Cross Hospital.

DEMONSTRATIONS BY CHICAGO FREEDOM MOVEMENT -  
SOUTHERN CHRISTIAN LEADERSHIP CONFERENCE,  
GAGE PARK AREA, CHICAGO, ILLINOIS

CG T-4 advised that it was learned at an ANP meeting on August 14, 1966, that [redacted] had distributed ANP literature in the Gage Park-Marquette Park area on August 14, 1966. CG T-4 added that on August 14, 1966, [redacted] stated that the ANP should attempt to contact white people in the areas of the civil rights marches in Chicago and attempt to interest them in supporting the principles of the ANP. Patler also said that George Lincoln Rockwell may come to Chicago at some future date to lead a march of ANP members into an all Negro area in Chicago.

b6  
b7c

The August 15, 1966, issue of "Chicago's American," a Chicago daily newspaper, contained the following article:

"Speech, Then Trouble  
Nazis Stir Violence, Say Police

"The racial violence that erupted in Marquette Park has been blamed by police on the American Nazi Party.

"These people from Rockwell's outfit are at the bottom of the trouble at 67th and Kedzie," said Chicago Lawn Police District Cmdr. Martin O'Connell. "They were the ones who got the other young kids all wound up."

"O'Connell was referring to George Lincoln Rockwell, head of the American Nazi Party. A man identified as John Patler of the Party's national headquarters in Arlington, Va., addressed a crowd of whites at a rally yesterday in Marquette Park.

"Shortly after he spoke, violence exploded. A policeman said it was the closest thing to war he had ever seen.

"Rioting white persons--estimated 2,000--stormed the park, hurling bottles and rocks at passing cars which housed Negroes.

"They turned on the police, who charged the mob. Officers fired shots into the air and needed to use clubs to subdue some.

DEMONSTRATIONS BY CHICAGO FREEDOM MOVEMENT -  
SOUTHERN CHRISTIAN LEADERSHIP CONFERENCE,  
GAGE PARK AREA, CHICAGO, ILLINOIS

"Urging a 'white revolution,' the Nazis passed out literature to the rally crowd. The material bore the swastika symbol and was dominated by large red letters calling for 'white power.'

"Stir Racial Resentment

"The American Nazi Party has a record of stirring up trouble throught the nation. Many of its members have been arrested in anti-Negro and anti-Jewish demonstrations.

"Matt Koehl, who said he was commander-in-chief of the American Nazi Party, said in 1963 that the organization was formed 'to oppose communism and race-mixing.'

"He said the Nazis do not favor integration or segregation but believe in complete racial separation.

"Based on 'Mein Kampf'

"Koehl said, 'We consider Hitler as our spiritual or philosophical leader; he is the one who originally laid down the nationalist socialist world view.'

"According to Koehl, the American Nazi Party's philosophy is based on Hitler's teachings in Mein Kampf, the 'bible' of the German Nazis.

"'We anticipate taking over the American government,' Koehl said. 'The overwhelming majority of white Americans support the program of the Nazi Party but do not recognize what the program is. They think they are anti-Nazi, but in basic sentiment they are Nazi.'

"A party spokesman said Patler is in Chicago to aid party members in planning a policy for coming months. He said this program may include marches, led by Rockwell, into Negro neighborhoods."

Officer [ ] advised subsequently that the injuries reported in the article of the "Chicago Sun Times," August 15, 1966, had nothing to do with the demonstration. He stated that these were incidents of Negro families driving through the area and not being a part of the demonstration. However, their cars were struck by flying missiles thrown by white youths.

b6  
b7C

Officer [ ] advised on August 14, 1966, that the demonstration in this area would leave the Mt. Hope Baptist Church at approximately 4:00 p.m. and proceed via motorcade to Gage Park High School parking lot at 56th and Rockwell Streets. There they would reassemble and march on foot north to 55th Street, west on 55th to the 2800 block where they would hold a prayer vigil before the Pech-Suski Realty Company. Then, they would proceed north on Kedzie to the 5400 block and hold a fifteen-minute prayer vigil at Soltes Realty Company. Thereafter, they would proceed back to the parking lot and motorcade back to their point of origin. The Police Department anticipated approximately 300 people would participate in this march and that possibly 50 automobiles would be utilized to transport the demonstrators. Subsequently, Officer [ ] stated that these marchers would depart the Mt. Hope Baptist Church at 4:30 p.m. He estimated that there would be between 500 and 600 people participating in this march rather than 300 as previously indicated. He further advised that reports received by the Police Department indicated that crowds of onlookers had gathered in all of the march areas from several hundred at 79th and Pulaski Road to 1,000 or more in the vicinity of 55th Street and California Avenue. He said there had been reports of isolated incidents of stones being thrown at the marchers in the vicinity of 2800 West 55th Street but that no injuries had been reported at that time. This march followed the route set forth above and following their vigil at the two realty companies, they returned to the parking area and as of 8:30 p.m. all of the marchers had dispersed.

b6  
b7C

[ ] reported that at approximately 6:00 p.m. a car had been reported overturned and burned in the vicinity of 67th and Kedzie. It was subsequently determined from [ ] Chicago Commission on Human Relations, that this car belonged to a Negro family passing through the area and it was stopped by a group of white teenagers. Officers of the Chicago Police

Department were immediately called to the scene and order was restored. He also advised that subsequently, between 7:30 and 8:30 p.m., large crowds of neighborhood residents gathered in this area and sporadically stoned passing cars with Negro occupants and also police vehicles. Police reserves in the 8th District used to patrol the march area earlier were called to the scene to disperse the crowd.

Mr. [ ] reported that following this demonstration, Al Raby stated that an evaluation regarding the marches on August 14, 1966, would be made at a meeting to be held the evening of August 14, 1966, in the Mt. Hope Baptist Church. He indicated that the possibility of a night march in the Gage Park area during the evening of August 14, 1966, would be considered. However, Siewert stated it was subsequently determined that no such march would be made.

Officer [ ] 8th District, Chicago Police Department, advised on August 14, 1966, that the following people were arrested during the Gage Park and Bogan area marches on August 14, 1966:

A meeting sponsored by the Chicago Branch of the National States Rights Party (NSRP) was held on June 11, 1966, at 2237 North Western Avenue, Chicago. Approximately 40 persons were in attendance, including the following:

[redacted] from Milwaukee, [redacted]  
[redacted] from Milwaukee, [redacted]

UNKNOWN SUBJECT, [redacted]  
[redacted] appeared to be  
in charge of meeting

[redacted]

b6  
b7C  
b7D

The purpose of this meeting was to hear RICK [redacted] speak concerning survival in our present day society. He spoke concerning the problems that have been generated in our society because of the numerous riots and disturbances that are being caused by Negroes in this country. According to [redacted] no one is safe any longer to be on the streets because of Negro hoodlums and other teen-agers

b6  
b7C  
b7D

who are continually destroying property and taking lives. He stated people should stay off the streets whenever a disturbance is occurring and should not attempt to see what is going on. People should not hesitate to arm themselves for their own protection and everyone has the right to protect their property and themselves in the event anyone attempts to enter their home, to harm them, or destroy their property. The main theme of his speech dealt with the steps that should be taken by persons to insure that they are not caught in circumstances or situations where they will be molested or harmed by young hoodlums or Negroes.

[ ] said that communists in this country are attempting to take over the United States by calling for integration and this has been one of the reasons for the recent Negro disturbances in this country. The communists hope to capitalize on the racial problems in this country and thereby cause internal strife in the United States. He added that they should identify communists and expose their activities.

b6  
b7C  
b7D

[ ] also criticized the Jews and said that many of the communists are Jews and, therefore, Jews are furthering integration and are responsible for racial disturbances in this country.

b6  
b7C  
b7D

[ ] also discussed guerrilla warfare and said that if communists or other groups take over the United States it will be necessary to be trained in guerrilla warfare in order to fight the communists and other groups. Therefore, if they are to survive, they must start organizing a guerrilla force and obtain weapons and supplies in order to be in a position to defend themselves.

It is noted that the Chicago Freedom Movement (CFM) - Southern Christian Leadership Conference (SCLC) conducted a march in the Marquette Park area of Chicago, Illinois, on July 31, 1966, from approximately 4:00 p.m. to 8:30 p.m. There were hundreds of anti-demonstrators in the Marquette Park area, many of whom were dispersed and/or arrested by the Chicago Police Department.

A Special Agent of the Federal Bureau of Investigation (FBI) observed on the evening of July 31, 1966, at approximately 11:45 p.m., a group of approximately one hundred white persons listening to a speech given by an individual at 71st Street and South Sacramento Boulevard. This individual was stating to the group that the area needed moral and financial support to stop Negroes from advancing into their area. He told the group that the Negroes would eventually come in with firearms and therefore the white people should arm themselves. He stated that he represented the National States Rights Party and that he would be in the area to accept any memberships. It is noted that this

individual had difficulty at first in stating the name of the organization, first calling it the "National Federation," then the "National Party" and then after looking at a piece of paper in his hand, called it the "National States Rights Party."

The Chicago Police Department at this time dispersed the group and this individual was subsequently detained because he refused to leave the area and kept on speaking, and was released approximately three blocks from the point of arrest.

A Special Agent of the FBI, using a suitable pretext, immediately interviewed this individual, who stated his name was [REDACTED] and that he lived in the vicinity, but would not furnish his address. [REDACTED] said that he was not affiliated with the National States Rights Party, but intended to write them a letter on August 1, 1966, advising them that his area is interested in the National States Rights Party. [REDACTED] indicated he felt a majority of the white people in the area were so incensed by the Negro civil rights movement that they would join the National States Rights Party.

Concerning the speech he made on Sunday night, July 31, 1966, in the vicinity of Marquette Park, he advised that he was not a member of the National States Rights Party, had never been a member, and does not intend to join. [redacted] further advised that he was incited to make the speech because he had been drinking and was generally encouraged by the excitement of the crowd. [redacted] advised that he knew of no planned violence by residents of his neighborhood against demonstrating Negroes, and that none of the residents of his community, to his knowledge, have armed themselves for protection against Negroes. [redacted] assured the interviewing agents that he intended to stay away from future demonstrations staged by either Negroes or whites and that he was not personally acquainted with anyone in the National States Rights Party.

Reference is made to Chicago memorandum dated August 17, 1966, captioned as above.

On August 18, 1966, [REDACTED] Human Relations Section, Chicago Police Department, advised that Dr. Martin Luther King, Jr. was scheduled to address a civil rights mass meeting to be held at CFM-SCLC Action Center Number 1, 6043 South Princeton, Chicago, Illinois, at 8:00 p.m. on such date. He related that Dr. King will discuss current civil rights marches in Chicago regarding open housing and discuss the results of the "Summit" meeting held on August 17, 1966, between civil rights and community leaders.

On August 17, 1966, CG T-1 advised that George Lincoln Rockwell, National Commander, American Nazi Party (ANP) is scheduled to arrive in Chicago on August 20, 1966 to help organize ANP activities in protesting the recent marches in Chicago by CFM and SCLC. The ANP in Chicago, according to this source, was continuing its efforts to interest people in the ideas

of such organization. He declared that the ANP continues to receive numerous telephone inquiries from Chicago residents regarding the ANP.

On August 18, 1966, this same source advised that several ANP members plan to picket the above-mentioned rally at Action Center Number 1 during the early evening hours of August 18, 1966.

A characterization of the ANP is contained in the appendix section of this memorandum.

CG T-2 advised on August 18, 1966, that the Chicago chapter of the National States Rights Party (NSRP) plans to hold a rally in Marquette Park, Chicago, beginning at 3:00 p.m., on August 21, 1966. The stated purpose of such rally is to arouse the interest of white Chicago residents in the purposes and activities of the NSRP and to attempt to organize white persons in opposition to integration in their respective communities.

A characterization of the NSRP is contained in the appendix section of this memorandum.

On August 18, 1966, CG T-3 advised that the Chicago Branch of the ANP will participate in the above-described rally at Marquette Park, August 21, 1966.

The office of Deputy Superintendent [redacted] Chicago Police Department, advised on August 18, 1966, that six members of the ANP, led by [redacted] Head of the Chicago ANP, picketed the Mt. Hope Baptist Church, CFM - SCLC Action Center Number 1, 6043 South Princeton, from 7:15 p.m. to 8:20 p.m., on such date. The pickets displayed signs calling for white power, and declaring that America was for whites and

Africa for blacks. The Chicago Police Department reported that there were no incidents of arrests and that the picketing was peaceful. Approximately 1,000 persons were in attendance at the Mt. Hope Baptist Church.

On August 18, 1966, CG T-4 advised that a so-called Action Committee of CFM met earlier that afternoon in order to plan strategy for the immediate future. Such meeting canceled plans for previously scheduled demonstrations on August 19, 1966, and planned instead to conduct a massive realtor testing program with some 200 CFM representatives to visit various real estate offices in the following sections of the city:

On the Northwest side:

Jefferson Park  
Portage Park  
Belmont-Cragin  
Hermosa and Logan Square

On the Southwest side:

Ashburn  
Chicago Lawn  
Gage Park  
Back of the Yards  
Bridgeport

These representatives will attempt to ascertain if the change of attitude on the part of the Chicago Board of Realtors toward support of the principle of open occupancy is reflected in the reaction of its member realtors in their dealings with CFM representatives. If no change in attitude is noted by such representatives on the part of the realtors, then demonstrations in the white communities of Chicago will be renewed.

[ ] Chicago Commission on Human Relations (CCHR), contacted on August 18, 1966, confirmed the above information. He feels that CFM is certain that the reception by the realtors on August 19, 1966, will be the same as it has been in the past, giving them justification for renewing and intensifying the demonstrations. He further stated that CCHR does not anticipate any problems or disorders in the various neighborhoods as a result of visits to realtors since such activity is to be conducted by small groups and on a scattered basis.

b6

[ ] subsequently advised at 10:45 p.m., August 18, 1966, that the mass meeting at Action Center Number 1 concluded at 10:30 p.m. without incident or arrest. Al Raby, Coordinator, Coordinating Council of Community Organizations (CCCCO), announced plans to test realty companies on August 19, 1966, as described above and cancel the march previously scheduled for August 19, 1966. Raby further stated that barring a complete change of attitude on the part of such realty companies, demonstrations would be held Sunday, August 21, 1966, in the areas that were to be tested on August 19, 1966. Raby announced that there would be a subsequent mass meeting August 19, 1966, at the Warren Avenue Congregational Church, 3101 West Warren Avenue, to evaluate the results of the testing.

Reverend James Bevel and Reverend Jessie Jackson also spoke at such mass meeting and were critical of Chicago Mayor Richard Daley and branded the CCHR as a tool of the city administration. Dr. King concluded the meeting, making brief remarks which, in essence, advised that demonstrations would terminate when Chicago was an open city.

The "Chicago American" Green Streak edition, August 18, 1966, carried an article which stated in effect that the previously held "Summit" meeting between civil rights and community leaders held August 17, 1966,

RE: DEMONSTRATIONS BY CHICAGO

in Chicago, was a "farce." The article states that the civil rights leaders never had any intention of calling off the marchers. The source credited for such article was an unidentified individual who attended the meeting. Such unidentified source stated that "Every time we'd make a concession, they'd push for something more. Suddenly, it dawned on us this whole meeting was a farce." The American's informant said King made it clear they were not prepared to give up "the only weapon they had."

[redacted] CCHR, advised that he was aware of the above article and that his organization considered it as emanating most probably from a member of the Board of Realtors and is somewhat distorted. CCHR considers that the meeting was fruitful with more progress achieved than anticipated, principally in the change of position by the Board of Realtors regarding their endorsement supporting the principle of open occupancy, a very significant concession on their part. On August 18, 1966 and August 19, 1966, the above information was provided to the following individuals:

Reference is made to Chicago memorandum dated August  
22, 1966.

A source, who has furnished reliable information in  
the past, advised on August 22, 1966, that George Lincoln  
Rockwell, National Commander, American Nazi Party, (ANP), had  
departed from Chicago on August 22, 1966, en route to Arlington,  
Virginia. Rockwell indicated he plans to return to Chicago for  
a rally and march to be held by the ANP on September 10, 1966.

A second source, who has furnished reliable information in the past, advised on August 22, 1966, that George Lincoln Rockwell spoke at an ANP rally in Marquette Park, Chicago, on August 21, 1966. Source stated he only had the opportunity to hear Rockwell speak for a short time. During this time Rockwell stated, "We are going to ship the damn Niggers back to Africa," and he also stated "Martin Luther King is a damn communist." Rockwell also referred to King as Martin Luther "Coon." Rockwell called for those present, especially the young people, to come to Chicago ANP Headquarters on the evening of August 21, 1966, to hear him speak further.

A third source, who has furnished reliable information in the past, advised on August 23, 1966, that he had learned that [redacted] Wickcliffe, Ohio, a member of the National Knights of the Ku Klux Klan, Incorporated, (NKKKK), had attended the National States Rights Party, (NSRP), rally, held in Marquette Park, Chicago, on August 21, 1966.

b6  
b7c

The above source advised on August 24, 1966 that Reverend Charles (Connie) Lynch, Organizer, for the NSRP will speak on the evening of August 24, 1966, at the Chicago Branch of the NSRP, 2237 North Western Avenue, Chicago.

Characterizations of the ANP, NSRP, and the NKKKK are contained in the appendix section of this memorandum.

Officer [redacted] Human Relations Unit, Chicago Police Department, advised on August 23, 1966, at 2:30 p.m., that 100 demonstrators had gathered at the Chicago Freedom Movement (CFM)-Southern Christian Leadership Conference (SCLC) Action Center, 3101 West Warren Boulevard, Chicago. It was anticipated they would not depart until 4 or 4:30 p.m., August 23, 1966.

b7C

Officer [redacted] Area 5 Youth, Chicago Police Department, advised on August 22, 1966, that [redacted] Chicago, brought his [redacted] to the Chicago Police Department and told officers that [redacted] had been contacted by an unknown individual who told him if civil rights marchers go into Cicero, Illinois, [redacted] was to meet with some other men in a pre-arranged alley and bring pop bottles. Others would bring wicks and gasoline. [redacted] had a Nazi swastika on his jacket but he stated he is not a member of the ANP. [redacted] refused to answer any questions concerning civil rights marchers in Cicero. [redacted] [redacted] who resides with his [redacted] [redacted] at the above address. Paul is a high school drop-out and his parents are deceased.

b7C

Sources at the Chicago Police Department on August 23, 1966, advised that a group of 120 demonstrators departed 3101 West Warren Boulevard, at that hour, by automobile escorted by the Chicago Police Department. The group arrived at Eggers Woods in the area of South Deering, Chicago, at 5:20 p.m. There were no incidents enroute but police dispersed small groups of from 15 to 20 white youths as they gathered in the vicinity of Eggers Woods. The demonstrators remained in the Woods during the rush hour and at 6:30 p.m. planned to begin a march through the adjacent community led by Reverend Jesse Jackson and Reverend James Bevel.

Chief of Police Joseph Barloga, Cicero, Illinois, advised he received a telegram August 23, 1966, from [redacted] ANP leader, Chicago, requesting permission to hold a white rally in the vicinity of the Cicero, Illinois town hall at twelve noon on August 27, 1966, to organize white people to defend homes and neighborhood against "Martin Luther King's Black Invasion". He stated the purpose was not to start violence, but only to advocate self-defense. The request was to be presented to the Cicero City Council.

b6  
b7C

Chief Barloga also advised a telegram was sent to King advising of the possibility of violence if a march into Cicero were conducted, and a telegram was sent to Governor of Illinois, Otto Kerner, requesting the calling of the National Guard prior to any march in Cicero.

Cicero City officials and Cook County Sheriff Richard Ogilvie planned to hold a conference with Governor Kerner in Springfield, Illinois at 10 a.m. on August 24, 1966.

An anonymous telephone call was received in the Chicago Office of the Federal Bureau of Investigation during the afternoon of August 23, 1966, wherein it was stated that one [redacted] employed by the [redacted] Chicago, had stated he lived in Cicero and that when Negro groups march in Cicero he will be ready and will kill as many as he can. [redacted] Stickney, Illinois, [redacted] was determined to be in the employ of the [redacted]

b6  
b7C

Information regarding Macalusa was furnished to Sergeant [redacted] of the Office of the Deputy Superintendent [redacted] Chicago Police Department, and to Chief Joseph Barloga, Cicero, Illinois Police Department.

[redacted] Chicago Commission on Human Relations, advised on August 23, 1966, that the ANP scheduled a demonstration for the City Hall, Chicago, at twelve noon August 24, 1966, to protest the failure of Chicago to effect the arrest of King. He also advised King was scheduled to address a student rally at 6401 South Sangamon, Chicago, to enlist student support in Chicago CFM activities.

b6  
b7C

Chicago Police Department sources advised on August 23, 1966, that a group of approximately 178 individuals departed Egger Woods at 6:35 p.m. on that date to march through the Deering neighborhood. Nineteen counter-demonstrators consisting of 16 adults including one female and 3 juveniles were arrested on the route of march and charged with disorderly conduct. One was also charged with possession of fireworks. Their names are set out below. Police Department Officer [redacted] was hit by a rock thrown by an unknown assailant [redacted] sustained minor injuries, was treated and released.

b6  
b7C

At 8 p.m., police re-enforcements were sent to South 112th Street and Avenue B where counter-demonstrators tossed flares and firecrackers in the vicinity of the parked automobiles of the demonstrators.

At 8:20 p.m., the demonstrators returned to the cars and were escorted from the area by the Chicago Police Department. Counter-demonstrators tossed rocks at the departing vehicles but no demonstrators were injured.

Plans filed by the CFM with the Chicago Police Department on August 23, 1966, for a demonstration on August 24, 1966, included plans to assemble at Pasteur Park, West 58th Street and South Kostner, for a march in the area bounded by 5500 and 5900 South, between Kostner and South Pulaski. Prayer vigils were scheduled for Security Realtors, 5616 South Pulaski, and the Komenski Realtors, on West 55th Street, but no time was listed. The Chicago Police Department speculated that "probably the marchers" would begin to move at 6:30 p.m.

At a press conference, on August 23, 1966, Police Superintendent O. W. Wilson reported crimes in Chicago are up over 30% from a year ago and cited as the cause the large number of police assigned to demonstrations. He predicted a high crime rate will continue as police are so assigned.

Commander [redacted] 7th District, Chicago Police Department, advised that Martin Luther King addressed a student rally at 6401 South Sangamon in Chicago and he urged student support of CFM activities, stating he definitely plans to conduct a demonstration in Cicero, Illinois, on August 28, 1966. There were no incidents or arrests in connection with the appearance of King.
